Infirmary's Bond Issue Tops Ballot

30 Local Issues And 2 State Proposals Wait Vote Tuesday

A proposed $989,000 bond issue for a new Columbiana County Infirmary tops the list of special issues to be decided throughout the county subdivisions and school districts in Tuesday's general election.

A total of 30 local issues along with 2 state proposals on a separate ballot are listed for the voting.

Madison Township Waits Vote On Liquor

Madison Township will be voting Tuesday on a local option issue — the proposed sale of liquor by the glass, the first local option issue in the county for a number of years.

A majority vote will be required to approve the measure in the township, where sale of beer and wine is now permitted.

A 55 per cent approval will be needed to pass the County Home issue, which will be on all ballots in the county. The proposal calls for a forty-eight-hundredth-mill levy to pay off the issue in 23 years, and would provide funds for a new structure to replace the present buildings about 90 years old.

Voters in the county's general health district will decide a proposed two-tenths mill health levy for a 5-year period, sought for the third time to provide funds for operating the health department.

The county health district lies outside municipal health districts of East Liverpool, Wellsville, East Palestine and Salem where the levy is not on the ballot.

Every Columbiana County voter will receive a huge ballot listing three proposed amendments to the State Constitution. But they will vote only on the first two, as the third — the so-called "metropolitan federation" proposal — was knocked out in a recent decision of the Ohio Supreme Court.

Issue No. 1 would permit municipalities to sell water and sewage services outside their corporate limits. Issue No. 2 would authorize the State Legislature to enact laws providing for more than three judges on district courts of appeal in cases where it is required by the volume of business.

Because the long court fight over the "Metropolitan federation" amendment was not decided until shortly before the election, ballots listing all three propositions already had been printed. Any votes cast for Issue No. 3 will not be counted by precinct crews.

Beaver Local School District residents will be voting on a proposed renewal of a current 3-mill levy for 10 years, needing majority approval.

Two new 1-mill levies are proposed in Madison Township — a road levy to be used for improvement of township roads and a fire protection levy to be used for payment of equipment already obtained, along with new equipment and insurance for firemen. The 5-year measures require majority approval.

Residents of the Fairfield-Waterford School District will act upon two opposing issues — a proposed $590,000 bond issue for a new high school building, needing 55 per cent approval, and a proposal to dissolve the district, needing a majority vote.

The Fairfield-Waterford Board of Education submitted the bond issue, while a petition signed by 800 residents called for a vote on transferring students to East Palestine and Columbiana schools.

The Fairfield-Waterford district will also vote on a renewal of a 4-mill school levy for 5 years, needing a majority approval.

Salem voters will decide on in-

High Court Refuses To Speed Up Action On T-H Injunction

Monday Now Is Scheduled For Appeal

Ruling Not Expected Until Midweek; Pact Talks Resume Today

WASHINGTON (AP) — The Supreme Court refuses to order the United Steelworkers to speed up their appeal of a Taft-Hartley back-to-work injunction that would halt the 107-day steel strike.

The government made a strong plea to the court Wednesday to tell the union to get going on the appeal by noon today. Without comment, the court denied the Justice Department request.

That leaves the union until Monday to appeal the ruling of a Philadelphia appeals court that upheld the injunction.

But union lawyer Arthur J. Goldberg said he expected to file the formal appeal notice with the Supreme Court Friday and present a complete brief for the union case by Monday.

This means the court probably won't be ready to rule until the middle of next week.

The strike will go on at least until then unless something comes of new full-scale negotiations that resume today at Pittsburgh between the union and the big steel companies.

The Federal Mediation and Conciliation Service said it was glad to hear that negotiations would resume. But it served notice on both sides that if nothing happened by Monday it would call them to Washington for a joint bargaining conference.

The involved court action began nine days ago when President Eisenhower asked his government lawyers to get a Taft-Hartley injunction in Pittsburgh.

The court order would halt the strike for 80 days, but the union could resume it after that period if no settlement were reached.

The union, believing the big steel firms are beginning to feel the financial pinch, attacked the injunction as unconstitutional.

The Philadelphia court upheld the injunction, but gave the union six days to take the matter to the highest court.

Half a million steelworkers are on strike against 96 companies and 250,000 more in related industries are out of work.

At issue are wage increases and the industry's demand for more control over local working conditions to effect economies. The industry contends any big wage increase would be inflationary and against the national interest because it would force a rise in steel prices. Prestrike wages averaged $3.11 an hour.

100 Missing, 500 Injured

Dead In Mexico Nears 100 In Hurricane And Floods

MEXICAN CITY (AP) — The count of known dead neared 100 today in Mexico's flood-stricken states of Colima and Jalisco. Many more persons still were missing in one of the country's worst modern disasters.

Large sections of the two small western states bordering the Pacific still were isolated by floods in the wake of weekend torrential rains and a hurricane Monday.

Air rescue operations continued around the clock in an effort to reach hundreds of families driven from their homes by rain-swollen rivers that jumped their banks and poured through dozens of small villages.

The rivers knocked out communications and flooded roads in the stricken area, hindering the movment of military convoys carrying food, medicine and clothing.

The Pacific port of Manzanillo, which took the full force of the hurricane, reported 80 known fatalities. At least 100 residents were reported missing and 500 injured.

Full reports of casualties and damage could not be obtained because of the breakdown in communications. The President's office announced reports received by radio.

At least seven persons were dead and 15 missing in Cihautlan, 30 miles northwest of Manzanillo. Floods destroyed 40 per cent of the homes in the town of 5,000.

Four small Mexican freighters were reported sunk at Manzanillo. There also was a report indicating the 800-ton freighter Sinaloa, which left Manzanillo Monday for Acapulco, had gone down at sea. The report said 12 crewmen were rescued but 17 still were missing.

Crash Of Stock Market Was 30 Years Ago Today

By SAM DAWSON
AP Business News Analyst

NEW YORK, (AP)—Like the survivors of the blizzard of 1888 the survivors of Black Tuesday on the stock market have long memories. It was 30 years ago today—Oct. 29, 1929—that the bottom dropped out of the stock market.

Today's stock market has been booming. But most brokers stress all the measures taken since 1929 to keep the debacle from happening again. And they think the majority of Americans are more sensible now.

Stock prices had been riding high in 1929—ridiculously high, whether measured by earnings, assets or prospects.

The little fellow was in the market up to his neck — and often over it. He had taken his life savings to gamble. Often he had only a 10 per cent equity in his holdings. The rest was borrowed money.

So, many were wiped out overnight. Banks tottered. The depression — not prosperity — was just around the corner.

On Black Tuesday a record 16,410,030 shares were traded on the New York Stock Exchange in the frantic effort to unload. In a series of lesser falls prices kept on going down until mid-1932.

But in the wake of Black Tuesday came a long series of measures by the government and by private business and financial institutions to tidy up stock market practices and guard against a repetition of the disaster.

This year daily trading averaged 3,800,000 in the first three months, 3,200,000 in the second quarter, and 2,800,000 in the third.

This year you must have a 90 per cent cash down payment when you buy a share, not 10 per cent.

The Securities and Exchange Commission (born in the 1930s) takes a close look at any new stock offered for sale. It and the stock exchanges police the activities of corporations whose stocks are listed.

Federal insurance agencies back bank deposits and guarantee home mortgages.

You can get badly hurt in the stock market today. That's for sure.

But there can't be another Black Tuesday unless an awful lot of us start acting plumb foolish.

Salem Youth Held In Series Of Car Thefts

LISBON — A 16-year-old Salem youth, who pretended to aim a gun at a Lisbon motorist, stole one car and abandoned it and was captured at Minerva in another stolen auto early today, is in the County Jail awaiting a Juvenile Court hearing.

Police at Minerva apprehended the youth when they noticed him driving an auto without license plates.

Police at Salem reported he faces a charge of stealing the auto of Edward Finn of Salem, which was taken between 1:30 and 2:30 a. m. today.

Officers said Finn's car was found at Homeworth where the youth apparently took an auto from the Davidson Garage and drove to Minerva.

Police said the youth, who is on probation from another offense, pretended to pull a gun on Harry Duncan, 21, of S. Market St., Lisbon, who was driving in Salem and saw the boy hitchhiking about midnight.

When he picked the youth up, the boy put his hand in a pocket and pretended he had a gun, telling Duncan to keep driving. Duncan headed for the police station while the boy begged not to be turned in. As Duncan's car halted at the station, the youth jumped out and escaped on foot.

Vandalism 'Wrinkle' Draws Police Warning

Doping out a new wrinkle in Halloween vandalism, youngsters launched a wholesale slashing of television lead-in wires Wednesday night, particularly in the North Side and Monroe-W. 4th St. areas, causing many householders to make unneeded calls to repairmen, Capt. Robert H. Pyle, acting police chief, said today.

The acting chief said headquarters received "a regular run of calls" from householders reporting the vandalism this morning. Without checking, many telephoned for repairmen when they found their TV sets would not work, then the servicemen found that it all was caused by a cut lead-in, the captain said.

Parents will be held responsible for the damage when the young vandals are apprehended, he warned.

Fears Of New 'Blood-Baths' Grow In Cuba

Castro's Cabinet Ratifies Revival Of Military Tribunals

HAVANA (AP)—Fidel Castro's Cabinet early today ratified the revival of military tribunals which sent 555 of his enemies to execution before firing squads.

Fears of a new blood-bath grew with an estimated 200 persons already in jail awaiting investigation or trial as counterrevolutionaries, and unconfirmed reports circulating of more and more arrests daily.

Prime Minister Castro abolished the controversial military tribunals in July in favor of civilian courts. Though the latter had power to impose death for activities against the revolutionary regime, the heaviest sentences meted out were 30 years.

A power failure plunged most of the capital into darkness and fresh anxiety after the six-hour Cabinet session ended just before 2 a.m. The blackout was traced to an equipment failure, the American-owned Cuban Electric Co.

Missile Tested With Different Type Of Cone

CAPE CANAVERAL, Fla. (AP) — An Atlas missile crowned with a new tactical-type nose cone thundered over the Atlantic early today on an intercontinental range flight.

This was the second test for the new cone, which stood nearly 12 feet tall atop the 80-foot missile. The first test earlier this month was successful.

In Washington, a spokesman for the Air Force called today's test a success. He said all its objectives had been reached.

The Air Force calls this its second generation nose cone and plans eventually to use it in place of smaller cones which now top the Atlas, Thor and Titan missiles.

Hancock Man Hurt In Crash

Victim Passenger In City Resident's Car

A city man's car veered into a ditch near Salem Wednesday night, injuring a New Cumberland passenger, according to the State Highway Patrol at Lisbon, which reported two other area mishaps.

Richard Borok, 20, of 727 Garner Ave. was cited for reckless operation after his car went into a ditch on Route 45 a short distance north of Salem at 9:05 p. m.

Russell Kimball, 20, of New Cumberland, the passenger, was treated at Salem Central Clinic for lacerations of the face received when Borok turned off the road into a service station but swung too wide and ditched the 1954 sedan, officers said.

Moderate damage resulted to two cars involved in a collision on Route 170 about a mile north of East Palestine at 8:55 p. m.

The patrol said a car driven by Leonard Ward, 56, of 511 E. North Ave., East Palestine, hit the rear of one operated by Charles Buchanan, 30, of Beaver Falls.

Paul Little of Leetonia R. D. 1 was cited after his car and one driven by Carl Geffert, 35, of Hanoverton R. D. 1 collided on Route 344 west of Leetonia.

Geffert's car hit the side of Little as the latter made a left turn. Little was charged with failure to signal a turn.

Manufacturers Ups Request To PSC In West Virgina Case

The latest hearings on rate increases for the Manufacturers Light & Heat Co. ended with it asking for $169,000 more a year and the West Virginia Public Service Commission staff recommending $999,005 less Wednesday at Charleston.

The company's intention at the beginning of the case was to obtain $2,078,000 additional yearly for the natural gas it supplies 49,000 customers in the Northern Panhandle.

It now seeks the extra amount, raising the total to $2,247,000, to cover higher costs from two pipeline companies which act as its wholesalers, Transcontinental Gas Pipeline Corp. and Texas Eastern Transmission Corp.

The new request was made yesterday, the third day of the current set of joint hearings for Manufacturers and United Fuel Gas, which wants $4,200,000 more a year from its 119,000 customers in Southern West Virginia.

On the same day, John C. Murphy, PSC accountant, said that Manufacturers needed only $1,151,339 a year more to realize a return of 6.3 per cent, what the commission decided it was entitled to in the company's previous rate

Steubenville Pottery Plant Sale Authorized

STEUBENVILLE — Stockholders of the Steubenville Pottery Co. located north of the city met Tuesday and approved sale of the plant and property to a chemical firm.

No date has been announced as to when the Barium & Chemicals Co. of Willoughby will consider the offer.

Barium's stockholders still must approve the deal.

The Lake County company produces chemicals for various industries.

The pottery is situated on a 37-acre tract along the Ohio River several miles north of Steubenville. Its operations have been slowed recently. The pottery employs about 125 when in full production.

2 Reportedly Admit Help On '21' TV Show

NEW YORK (AP)—Charles Van Doren and Hank Bloomgarden reportedly have admitted to the district attorney that they received both questions and answers prior to their appearances on the NBC TV quiz show Twenty-One.

The New York Times today attributed its information to "an authoritative source in the Criminal Courts Building."

The New York Herald Tribune, in its edition today, quoted "a reliable source."

Dist. Atty. Frank S. Hogan refused to confirm or deny the reports.

The Times quoted Van Doren as saying: "I think that Monday is only five days away. I'm not in a position to start talking about it now. It would put me in such a terrible light, not only with the Congress, but with the other newspapers to whom I have refused to speak that I feel I must say, 'No comment.' "

Van Doren, who won $129,000 on Twenty-One, now dropped by NBC, is scheduled to testify next week in Washington before a House special subcommittee.

West Summit Reported Set Dec. 15 In Paris

PARIS (AP)—The Western summit meeting will be held in Paris about Dec. 15, Foreign Minister Maurice Couve de Murville, announced today.

The meeting of President Eisenhower, President Charles de Gaulle, Prime Minister Harold Macmillan and Chancellor Konrad Adenauer is designed as a preliminary to an East-West summit meeting.

Couve de Murville, in a report to a committee of the National Assembly, reiterated de Gaulle's stand that the East-West summit should take place next spring.

Balloon Inflates 250 Miles Up

U.S. Boasts Spectacular New Entry In Space Derby

WASHINGTON (AP) — The United States has a spectacular new entry in the space derby — a balloon as big as a 10-story building that inflates 250 miles above the earth.

The first space balloon launching Wednesday at Wallops Island, Va., was a smashing success. Not only did the balloon perform as planned, it startled the dickens out of hundreds of citizens all over the Eastern Seaboard.

The balloon, 100 feet in diameter, was the biggest object anyone has ever sent up into the fringes of space. But it weighed only 130 pounds.

It was not meant to go into orbit, and soon fell back into the sea. It was visible for 10 minutes. Later the National Aeronautics and Space Administration hopes to put some of these giant space travelers into orbit around the earth.

The balloon, fired at 5:40 p.m., caught the rays of the sun at the top of its flight. As it unfolded up there, its aluminized surface caught the light at different angles and sent forth myriad flashes of reflected sunlight.

Many who saw it thought it was a flare, surrounded by sparks.

The project was not announced in advance and nobody knew what it was.

Strike Idles 75,000 In Ohio Steel Plants

COLUMBUS, Ohio (AP)—Employment in Ohio steel mills dropped from 122,000 in mid-July to 47,000 by mid-September, the Ohio Bureau of Unemployment Compensation reported today.

The bureau said the difference "largely represents primary steelworkers directly involved in the strike." Nearly one-half of these steelworkers are in the Youngstown - Warren area.

Layoffs stemming from secondary effects of the steel strike are beginning to rise, the bureau said, reporting that some 18,000, newly unemployed filed claims last week under the unemployment compensation law. One out of every three was due to the steel dispute. Part of the 50 per cent increase over the previous week, however, was due to delayed filing, as liberal-

Death Claims Midland Wife

Mrs. Mabel E. Coble, 22 S. 8th St., Midland, wife of John O. Coble, died Wednesday at 3:30 p. m. at home, following an illness of several months. She was 75.

She was born June 9, 1884, at Creekside, Pa., and resided in Midland for 43 years, coming from Homer City, Pa.

She was a member of the Methodist Church, its Women's Bible Class and the WSCS and the auxiliary of American Legion Post 481 of Midland.

Other survivors include three sons, John L. Coble of Aliquippa, Wendell O. Coble of East Liverpool and William E. Coble of Ohio Township; three daughters, Mrs. Virginia Kunkle of Youngstown, Mrs. Fay Miller of Midland and Mrs. Marion Munroe of Struthers; two brothers, Edward Brewer of Indiana, Pa., and Oran Brewer of Creekside; a sister, Mrs. Sara Work of Rochester Mills, Pa., and 21 grandchildren and 2 great-grandchildren.

Services will be held Friday night at 8 at the Cannon Funeral Home at Midland by Dr. Leroy S. Cass.

Additional services will be held Saturday at 2 p. m. at the Harmony Lutheran Church at Creekside, followed with burial at the Five Points Cemetery there.

Friends may call after 7:30 tonight at the funeral home, where the members of the auxiliary will conduct memorial services at 7:30 p. m. Friday.

Marcellus Baker

Marcellus Baker of Chapel Rd., Beaver R. D. 1, a retired millwright at the Union Drawn Steel Co. at Beaver Falls, died suddenly this morning at 7 at his home after a brief illness. He was 68.

He was born in Monaca Aug. 8, 1891, son of the late James and Rebecca Earls Baker. He resided in Beaver Falls for about 20 years and moved to Brighton Township in 1942.

He retired in January 1958 after 17 years with the firm.

A World War I veteran, he served in France and the Army of Occupation in Germany.

He was a member of the 323rd Field Artillery Association in Beaver Falls, Steelworkers Local 1869 and the Industry Evangelical United Brethren Church.

He is survived by his widow, Mrs. Cora Knight Baker at home; a brother, Ross R. Baker of Beaver; a sister, Mrs. Hattie Patterson of Beaver Falls, and several nephews and nieces.

Services will be held Sunday at 2:30 p. m. at the J. T. Anderson & Son Funeral Home at Beaver by the Rev. David H. Gill of the Industry church and the Rev. Ray McCreight of the Four-Mile United Presbyterian Church in Ohio Township. Burial will be in Oak Grove Cemetery in Industry Township.

Friends may call at the funeral home after 7:30 p. m. Friday.

Mrs. John Jeffrey

Services were held this afternoon at the Island Creek Presbyterian Church near Toronto for Mrs. Lena Russell Jeffrey of Toronto R. D., a former teacher at the Irondale and Pine Grove Ridge Schools. The Rev. Norman Riedesel officiated.

Burial was in Island Creek Cemetery.

She died Monday at 6 p. m. at the Ohio Valley Hospital at Steubenville after a brief illness. She was 72.

She was born in Pine Grove Ridge June 11, 1887, daughter of the late Nesbitt and Rena Russell. She was a member and a Sunday School teacher at the Island Creek church.

She is survived by her husband, John G. Jeffrey at home; a daughter, Mrs. Paul Coxen of Weirton; three sons, John R. Jeffrey of Toronto, R. D., Wayne Jeffrey of Cambridge and Dwight Jeffrey of Odessa, Tex., and 10 grandchildren.

Mrs. Kathryn Strott

Services for Mrs. Kathryn Strott, 215 Carolina Ave., Chester will be held Saturday morning at 9 at the Sacred Heart Catholic Church in Chester by Fr. Eugene Jacobs.

itiative ordinance to boost police salaries — requiring a majority support — and will act on a proposed $350,000 bond issue to finance a citywide storm sewer extension, requiring 55 per cent approval for passage.

In the Salem school district, residents will vote on a renewal of a 2.6-mill school levy for 5 years and a proposed new 4.5-mill levy for 2 years, both requiring only a majority.

Salineville will ballot on a proposed new 2-mill current expense levy for maintenance of the Woodland Cemetery. The 5-year measure needs only a majority.

In Southern Local School District, a renewal of a current 5-mill operating levy will be decided. A majority vote is required.

Other school levies requiring majority approval will be a renewal of a current 4-mill East Palestine levy for 5 years and a new 3-mill East Palestine levy for 5 years; a proposed new United Local 2-mill levy for 3 years and Leetonia's proposed 2-mill levy for 10 years.

New Waterford residents will vote on a proposed $35,000 bond issue for a sanitary sewer project, needing 55 per cent approval.

Leetonia will act on a 4.6-mill fire station levy for 5 years, and Butler Township will vote on a five-hundredths-mill fire protection levy for 2 years, both needing a majority approval.

A majority vote will be needed for a proposed five-tenths mill fire protection levy in Middleton Township, a 5-year measure.

Knox Township will vote on a proposed 2-mill road levy for 5 years.

Fringe areas of certain school districts in the county will be voting on special issues. The Alliance School District will act on a new 1-mill library levy, the Mahoning Local District will ballot on a $1,450,000 bond issue for a building program.

The Alliance district overlaps into parts of this county, and the Mahoning District includes sections of Knox and Butler Townships.

said, adding there was no immediate indication of sabotage. The power went on again over most of the city after about two hours.

Gas Rate

(Continued from Page One)

increase case, settled late last year.

The joint hearing — Manufacturers and United Fuel are both wholly owned subsidiaries of the Columbia Gas System — was continued until Nov. 24, when two PSC staff witnesses will be cross-examined on their cost of money and rate base testimony.

Manufacturers explained yesterday that it wanted a PSC order establishing the originally asked rate increase as of Nov. 30 and a second order covering the additional $169,000 as of Dec. 1.

One major difference between the companies and the PSC staff is what base should be used for setting rates. Murphy based his 6.3 per cent rate on an original cost base. Manufacturers would use such a base for production and transmission properties, but an average trended cost on distribution properties.

Trended cost alters original cost so as to allow for current values, which are then averaged out.

Another major difference between the companies and those who oppose their proposed rates is the return they should earn. Their figure is 6.75 per cent. The PSC staff uses 6.3 per cent.

All 82 U.N. Members Back Disarming Plan

UNITED NATIONS, N.Y. (AP) — In an unprecedented action, all 82 U.N. members have agreed to join in sponsoring an East-West disarmament resolution.

Never before have Israel and the Arab states cosponsored a U.N. proposal. Nor is there any precedent for the appearance of the Soviet Union and Nationalist China on the same list of sponsors.

The resolution calls for turning over all disarmament proposals made before the General Assembly to the 10-nation East-West committee that will meet in Geneva next February. The resolution endorses no specific arms proposal but refers indirectly to Soviet Premier Nikita Khrushchev's plan for total disarmament within four years and British Foreign Minister Selwyn Lloyd's call for step by step disarmament.

the Moonwatch station at Nw Haven, Conn., said it looked like "the craziest thing in the world."

Civil Defense officials checked in with their headquarters within minutes. Newspaper, police and radio station telephone switchboards were glutted with calls.

The balloon was sent up in a two-stage rocket with a thrust of 130,000 pounds.

The space agency said the whole huge balloon was folded into a container 26½ inches in diameter. The sphere was made of plastic and coated with silvery aluminum outside.

After the balloon was released 250 miles up, air trapped inside it began to expand it. Then four pounds of water in two plastic bags was released inside the balloon. At that altitude the water expanded into vapor and completed the blowing up of the balloon.

NASA hopes to send these balloons into orbit 800 to 1,000 miles above the earth. They will be used as reflectors of radio signals.

LISBON — About 50 attended an open meeting of the Lisbon Historical Society Tuesday evening in the study hall of David Anderson High School.

Robert L. Damm, field representative of the Ohio State Historical Society, spoke on the organization of historical societies, and Dr. James Rodabaugh, state historian, spoke on historical societies in general.

Representatives of the Columbiana Historical Society attended. Graham Kearney and G. Cecil Rauch of Lisbon were in charge.

Ike Group To Select 1964 World Fair City

WASHINGTON (AP)—President Eisenhower's commission on selection of a city for a 1964 world fair probably will make its recommendations within a week, the White House says.

The three cities bidding for the fair are New York, Washington and Los Angeles.

TO THE PEOPLE OF EAST LIVERPOOL

I

I do not feel that the tagging of automobiles in the residential areas helps the parking situation in our city

II

I do not feel that the outlay of TWENTY THOUSAND AND NO/100 (20,000.00) for Twelve parking stalls helps the parking situation in our city.

III

I do not feel that a toll on the Chester Bridge is a fair way of getting revenue for our street program.

IV

I certainly feel that cooperation will be given to all parents of this city for the erection of proper signs in areas where children play.

As your Mayor, I pledge a street program with a minimum of costs to all taxpayers.

WHO OWNS THE CITY HOSPITAL?

The City Hospital belongs to the citizens of East Liverpool. It is operated by The City Hospital Association. Any citizen may become a member of the Association by the payment of the annual dues of $1.00 and attending the meeting of the Association in January.

The members of the Board of Trustees are elected by the Association at the annual meetings. The Trustees in turn elect its officers.

The City Hospital is a corporation under State law not for profit and operates at a loss.

No trustee or official at the hospital has ever received a penny of compensation or salary. They pay the same rates for hospital services as any other citizen.

The hospital accepts charity cases originating inside the city limits only. Emergency cases admitted at all hours.

Facts About the City Hospital

1—283,035 patients were treated since the hospital was opened.

2—8,973 patients in 1958, an increase of 747% in past forty years.

3—Payroll was $819,919.67 in 1958.

4—Total amount of charity work done by hospital since its inception $772,102.40.

5—An average of 1,367 babies born in the hospital in past five years, an increase of 10% over previous five years.

6—Constant need for better equipment and added services.

7—As a taxpayer it will cost you only 75c a year for each $1,000 tax valuation.

8—The hospital belongs to you, the people of East Liverpool.

Vote For The City Hospital Levy

A tax levy to provide funds for East Liverpool City Hospital will be on the ballot Tuesday.

It is for a period of five years and will be a renewal, not a new tax, since it already is in effect. The levy calls for three-fourths of a mill for each one dollar of valuation, which amounts to 7½ cents for each $100.

Part of the money that would be realized would be used for the care of the indigent sick—as it has been for the last 30 years. The indigent sick are a problem faced by any hospital. Those in a position to pay do so. Others less fortunate don't for the simple reason that they haven't the money. But regardless of financial status they are entitled to equal treatment. Pain and suffering are no respecters of dollars and cents.

We are fortunate in having an institution with the facilities that are available at City Hospital. Its recent expansion and present program is a tribute to the residents of East Liverpool and the immediate area who responded so generously a few years ago during a fund-raising campaign for a new wing.

It would be regrettable should it be found necessary to curtail any of the medical services now being offered. The mounting patient load calls for increased rather than decreased attention.

Renewal of the hospital levy will assure continuation of the present program. The measure deserves your support at the polls on Tuesday.

Everybody Talks About Peace

The word "peace" has been worn threadbare by those who use it sincerely and left empty of meaning by those with no sincerity in them.

It should be given a rest.

While it is on the shelf, more exact words and phrases would be used to describe the thoughts now concealed and revealed by "peace."

"Surrender" would come into use to reveal the true intentions of those who mean there could be peace if their opponents would quit resisting them.

"Capitulation" could be used to convey the thought that threats of war would cease if all weak nations now asking embarrasing questions about the intentions of strong nations would cease being curious and swallow whatever version of "peace" was spoon-fed to them.

"Conversion" would be the precise word for the thought that war could be averted if all differences of opinion were dissolved in conviction that troublemakers ultimately would prevail, so why not yield to their doctrines early and get in on the ground floor?

Even for those who need not apologize for talking about "peace," because they have peace in their hearts, there would be benefit from using a more exact word.

They do not believe peace ever can flow out of the universal goodness of mankind, because they know mankind is not universally good.

When they talk about peace, they are talking about a condition attainable if all men of good will were banded together in such a way that men of bad will could not challenge their right to live in peace.

They are talking about worldwide law and law enforcement—the grand dream of the League of Nations and the United Nations.

They are talking about cooperative security guaranteed by cooperative police action.

They are thinking more of the lion than of the lamb. They are more interested in becoming their brother's strong keeper than in being kept in a state of helplessness that would be called "peace" only in the sense it was remote from the crashing strife of the world outside.

Inmates of institutions, animals in zoos and the inhabitants of puppet nations that have lost the right of self-determination have such peace; they think of it as captivity. "Captivity" is another precise word to denote the kind of peace that is in the minds of some of the moderns who talk about it.

Hitler talked about peace. So did Mussolini and the savage plotters of Japanese supremacy. Khrushchev talks about it and De Gaulle and Adenauer and Macmillan and Eisenhower. Also the Red Chinese and the Chinese who are not red. They all mean something different.

The word has lost its meaning. It should be shelved and more accurate words substituted. The result would be a revelation.

The Span Of A Man's Years

An incident like being reminded that a brass bed in good condition and of good quality now is an item of lively interest at a sale can be shrugged off.

Or it can be shrugged on. It all depends on how you feel about brass beds.

You may be so old, for one thing, that you are like old-timers who cannot understand the values of antiques that were commonplace items of equipment when they were young. There are people who cannot thrill to the possibility of riding again in some of the drafty, jouncy old automobiles now being revived as ambulant museum pieces.

Or you may be so young you do not know what other people are talking about when they enumerate the desirabilities of a thing like a brass bed. A brass bed . . .

Those of us of in-between years remember them clearly and fondly. They sparkled in the moonlight. They glittered in sunlight. They were cold to the touch when the occupant had a fever.

They were sturdy. They were handsome when they were new, and when they grew old they could be restored to a high sheen with elbow grease, if they were of good quality.

Some were oak-solid, with brass tubing the size of a main waterline. Some were lacy and delicate, with swirls and gee-gaws. They showed dust, they were utterly practical—and finally they became so commonplace that no one wanted them any more. They were shunted to the attic and the barn. They drifted from pillar to post and finally disappeared, except the ones now reappearing.

The span of a man's years very well could be measured by how he feels about a brass bed at the dawn of the '60s. If he can understand why brass beds are being pounced on at sales, he is not too young nor too old. He is just right.

The Once Over

By H. I. Phillips

The fact that "Brooks Mandore," British bull with the head of a cow, found a home in Britain after TV appearances is a break for American television. The bull had been offered a home in the United States.

This could have meant a place on an American TV show. Prevention of this is a break for the animal and for TV, which had suffered enough from "bulls" this season.

Our airwave moguls didn't want "Brooks Mandore" before the grand juries and congressional probers, following charges that (even when accompanied by bank officials), it wasn't on the level.

Somebody would have charged the face of a cow on the body of a bull had been due to anky-panky and Broadway showmanship.

Those human quiz shows had deceptive faces on them and the contestants were not what they seemed in all cases. Some operators by their own confessions couldn't be trusted to let a bull be itself on TV.

OUR OWN CATTLE EXPERT says America has had many strange bulls on home grounds, including a Jersey twindle with the head of a saddle horse.

This one was of extra value because the owner could enter it in both a cattle show and horse show.

He reports these other oddities:

1. Terrible Turk II: This is an Ohio two-headed bull. One head is cow-like. The other is an unmistakable bull head. The trouble is that the farmer is never sure which head is in control of the critter.

2. Mystery Lad III: A Massachusetts bull with the face of a bull but legs of a kangaroo. It paws the earth, breathes fire and has the temperament of a bull but the way it jumps all over the premises makes it laughable, even to cows.

3. Hosley's whatizzit: A cow with the head of a buffalo and owned by a Texas farmer with the head of a Bronx bookie. The animal was sold to Hollywood for a "western" written by an easterner and it was ridden by an actor with the body of a town marshal but the face of a chorus boy.

NOBODY WILL EVER SAY to Castro, "So you WON'T TALK!"

The Internal Revenue Service has ruled tax deductions are okay for damage to home or furnishings by shock from planes busting the sound barrier. But how about deductions for medical expenses incurred by the strain of trying to prove it?

Two thousand travel agents meeting in Cuba to boost it as a vacation resort had the idea shot out from under them by Castro. If Fidel were directing Cinderella he would shoot the fairy godmother, throw the prince into prison and make a radio speech denouncing anybody hunting for a girl who lost a slipper. Give him the job of staging Red Riding Hood and he would insist grandma grow a full beard and call Red Riding Hood's arrival with the lunch basket an American plot.

The U.S. Economic Commission meeting in Geneva wants a ban put on auto fins. Even this has to go to Geneva! How the Economic Commission gets into the auto fin situation is not clear but it could be that some members who bought a 1959 car found the 1960 model has come out with another change. This can make a car buyer pretty sore.

Since TV talks so much about cleaning up, what about featuring confessed impostors, who as bogus surgeons worked among wounded boys in the last World War? And are all those plug uglies, reformed baddies and assorted low characters necessary on so many panels?

The City Council of New York has voted for a law to fine parents for vandalism and other acts of delinquency by kids. The difficulty may be to locate any parents who are not in the cyclone cellar or attic hiding from their moppets. There are some who are brave enough to talk back to their young at close range, but not too many. An honest answer to this classified ad might be hard to get:

Wanted.—A parent who has any idea where his kids have been, are now, where they are going or what they are doing. Liberal reward if found. This is the era of the intimidated, overindulgent, sugar-coated mom and pop completely sold on the idea that a few sharp words and an occasional firm attitude toward Little Egbert shrivel his natural inclinations and throw a roadblock against his future.

Casting Its Own Shadow

11 Determined Steel Men At Work

By Victor Riesel

At 6 p.m. last Sunday, 11 leaders of 11 major steel companies gathered without any of their aides in a Park Ave. Hotel suite in Manhattan. They decided to buck the striking steel union right into 1960, if necessary.

Victor Riesel

The doors were closed. The meeting secret. The pledge of silence unanimous. Influential though they are, the steel executives believe their case has been misrepresented to the public by the union.

Here, in effect, is what they said to each other:

Since 1947 the steel industry has put 12 billion dollars back into the business. They have built new plants. They have invested heavily in new equipment.

But the wizardry of automatic machinery has not affected many union members. U.S. Secretary of Labor James Mitchell reported to President Eisenhower there was a decrease of only 3,700 production jobs since 1947.

HOWEVER, there has been an increase of 28,900 in administrative, professional and clerical workers since '47. So, in fact, there has been an over-all jump in the number of jobs throughout the industry.

Certainly, they said, there is no indication that the steel industry leaders have slashed personnel or that the new machinery and increased efficiency are a threat to jobs.

Certainly, they said, there is no support for the union argument that the industry wants to wipe out 100,000 production jobs.

These 11 captains of the steel industry felt that the only danger to jobs is from a recession or from losing business in the U.S. and across the world to German, Japanese, British and Scandinavian competition.

It is the industry's view that such competition could revive the 1957-58 recession — the only time when tens of thousands of jobs were temporarily wiped out. During this period thousands of other steelworkers went on three-day weeks.

Thus, in the hotel suite Sunday evening the viewpoint was that the only actual threat to the jobs of some of the 500,000 strikers comes from the union's refusal to permit the past practices work rules to be changed. This will prevent "decreasing the cost per unit."

There was some talk about observers not believing the industry is serious in standing fast over "decreasing cost per unit." But the steel executives mean it.

IT WAS OBSERVED that this is no class struggle. This is the moment to stand because this is the moment the contract has expired and the next few years will see the industry in competition not only with friendly nations but with Russian industrialism.

It was pointed out that the stand would have to be taken sooner or later—and this year is better than two or three years from now.

They had taken a costly strike for 103 days. It cost the country more than eight billion dollars. There had been almost a full year's lost time in five major strikes since 1945. Why not settle this now and not face another stoppage in 1961 or 1962?

Furthermore, they counted noses. At six o'clock Edgar Kaiser told them he would go it alone.

Government officials, right up to the White House, expected Jones and Laughlin, Allegheny Ludlum, Wheeling Steel and possibly Inland to split the front. They said they had not the slightest intention of breaking as some had in former years.

Shortly after 10 p.m. 11 weary men, knowing the pressures awaiting them outside, called it a night.

Letters To The Editor

I believe Mr. Cranston's letter Oct. 24 was one of the best yet.

I am sure there are lots wondering, too, if our part-time president really knows he is president yet. Seems to me Mr. Goldberg and Mr. McDonald knew enough to show him it wasn't as easy as he thought to enforce the Taft-Hartley Law.

It is very logical that anyone who never has worked in the mills when there wasn't a union would think it all right to enforce the Taft-Hartley Law. But I say there never has been a law all through history made or enforced by the Republican party that ever helped or benefited a working man.

I was a Republican at one time, but I've never been proud of it and I worked in the mill several years before there was a union. Can't any of you remember those years and have you forgotten those four years of Hoover's administration? I for one have never forgotten and I don't try to pretend I am not so intelligent, but one wouldn't have to know so much to of made a change after the Democratic party has gotten us what we have.

What working man would want to go back to work with out proper working conditions or as Mr. McDonald put it a black snake whip over us? Well I for one knows just what he means.

I say there are three classes of people who are against the unions. The Ignorant, the White Collar man who has never done hard labor and then the Retired drawing pensions and Social Security. This 3rd class has forgotten that the Democratic party got this for them and they are still biting the hand that is feeding them. I wonder if this class couldn't be put in the ignorant class, or should we just call them Republicans.

I for one would like to see these people have to go to work under the company conditions and see how long it would take them to wise up.

I would like to ask these Republicans who are drawing Social Security and still voting against the party that got it for them, would you like to see a movement start to take this away or wouldn't you do the same thing us mill workers are doing?

I hope it will never come to that, but if it ever does I wish there could be a survey made and take it from the ones who are voting against the party that got it for them.

I hope also that the people of our town hasn't forgotten what this administration done. Don't forget that tax they enforced, or I might say just dictated. Even after it was brought to a vote by a group of Democrats who thought it only fair to vote on, still enforced it again. Ask yourself this, why should they have so much power? Isn't this still America? Let's vote it out again!

What is going to happen if these hard-hearted people get back in office? I believe thou that God will help us this Nov. and also next Nov. and I thank God we have enough Democrats that we are not going to let these Republican dictators be in office.

I do want to say in closing that Mr. Fred Lawrence, mayor of our town, and Pres. Eisenhower has done one good thing, they have made a lot more Democrats.

HOWARD E. PITTS
652 Minerva St.

For the first time, I am writing a letter other than business or to a personal friend. Forcing this is everlovin' Meter Maids.

I went to East Liverpool to spend my money as usual and felt lucky upon finding parking space. After the meter had gobbled enough money without giving any time, I wrote a note saying the meter would not work.

Returning a short time later, I found a ticket. Feeling an explanation would straighten everything out, I went to City Hall. There, even though my sister had put the money in the meter and we had both watched it fail to work, we were told by a Meter Maid that there were so many crooks in E.L. that we could not be believed. When I asked if I could talk to someone with more authority, I was told more or less there wasn't anyone, but if I wanted to waste my time I could talk to a Mr. Pyle. This conversation, which consisted of nothing resembling a greeting or smile, was disappointing and I was told to deal with the Metermaids.

I wonder why these Maids feel so secure in their jobs that they can treat the public this way. I asked if they would put the meter down for repair but was told no. So beware of the meter that will not work. While you shop, a maid will say a few magic words over the meter and issue you a ticket.

Upon going to City Hall, you will be called a crook and a liar. At this point be ready to reach in your pocket and humbly pay your fine or dig deeper and hire counsel to represent you in court. Or do like I intend to do, spend as much of my money as possible out of East Liverpool.

Familiar Red Pattern

Soviet Hand Seen In Cuban Unrest

The long-suffering patience of the United States government with the present Cuban government is diminishing rapidly. Fidel Castro's erratic behavior which could cause the collapse of the whole economic structure in Cuba has now prompted the U.S. State Department to speak rather bluntly to the authorities in Havana.

David Lawrence

There is a well-defined belief that the Soviet government is in on some of the things the Castro government is doing to cause estrangement with the United States.

For some time past Castro declined to receive the American ambassador, Philip Bonsal, and the latter, after a lengthy conference recently with Washington officials, was finally instructed to do some frank talking to the Cuban revolutionary government.

The unusual procedure was adopted whereby the Department of State made public in Washington the gist of the remarks which Ambassador Bonsal made to the Cuban government.

The official statement expressed "shock and amazement" over the charges of Fidel Castro that the United States government had somehow permitted the alleged "bombing" of Havana.

No evidence has been submitted by the Cuban government, says the State Department, that "the aircraft in question was armed, dropped bombs or strafed during its flight over Cuba."

THE UNITED STATES government also expressed serious concern over what it said seemed to be "deliberate and concerted efforts in Cuba to replace the traditional friendship between the Cuban and American people with distrust and hostility."

This is about as strong a statement as has come from the Washington government in disapproval of the antics of the Castro leadership since the revolution succeeded in overthrowing the previous administration in Havana.

It is the first officially expressed hint at the presence of Communist mischief-makers inside Cuba.

The United States reiterated, moreover, that it has not intervened in the internal affairs of Cuba and that it cannot arrest persons of anti-Castro viewpoint resident in the United States just because Cuba's government complains about their alleged activities or utterances.

The State Department pointed out that "in the United States persons cannot be arbitrarily arrested, imprisoned or interfered with at the pleasure of the executive authority."

This was, of course, an ironic reference to the practice of the Cuban revolutionary government in imprisoning persons on suspicion and failing to give them a fair trial.

THE STATE Department's memorandum openly warned the Castro government of the menace of Communism and referred to the avowed purpose of the Communists "of imposing authoritarian rule and denying freedom of speech, religion and assembly."

The American government also rebutted some loose statements made in Havana by Castro and his colleagues charging that the United States opposed "democratic ideals."

The Castro government was told it must not be misled "merely because the Communists made use of these as slogans to veil their true anti-democratic intentions."

Some of the social and economic measures taken by the Cuban government which amount to confiscation of private property were discussed by the American ambassador.

He was authorized to say that the United States does not approve or disapprove of policies as such when undertaken by another government unless they "affect the rights established under international law of United States citizens and incorporations and otherwise affect the relationships which bind Cuba and the United States for their mutual benefit."

This may have been a veiled reference to the threats in the Castro speeches that the American naval base at Guantanamo might be abolished by order of the Cuban government.

Altogether the situation between the United States and the Castro regime is gowing more and more disturbing right along.

The Cuban revolution has influential pro-Communists in its ranks. The tactics pursued by Castro are as Communist in their pattern as if they were fashioned in Moscow.

WHILE DENYING any Communist affiliations, Castro apparently follows the course which the Soviet agents always prescribe when they take a hand in the internal affairs of a revolutionary government.

The game is to cause as much friction as possible with the United States. This puts a strain on American policy.

The United States is hoping that the Castro government will part company with Communist advisers and begin at once to put the Cuban house in order.

Certainly economic recovery will never return and confidence in the present administration in Havana will never grow if Castro continues his hostility toward the American government.

Theorists Outweighed

By Harry Homewood

The recent opinion by Judge Walter J. LaBuy of the United States District Court (Chicago, Ill.) in a civil action — the United States of America vs. E. I. du Pont de Nemours Co. and General Motors Corp. — was a healthy step, perhaps one of the healthiest in years.

It is one of the few in recent years that speaks out clearly for the wisdom and experience of working businessmen versus the theories and inexperience of government "experts."

Judge LaBuy, an eminent jurist, practiced law for 20 years before being elected to the circuit court in 1933. He was appointed to the U.S. District Court by Franklin D. Roosevelt in 1944.

On June 3, 1957 the Supreme Court of the United States had held, in a divided opinion, that the acquisition of General Motors common stock over a period of 30 years by du Pont — some 63 million shares after stock splits and dividends — violated Section 7 of the Clayton Act.

THE SUPREME COURT said that this acquisition of General Motors stock was a violation, despite Judge LaBuy's prior ruling that it was not. And the Supreme Court ordered Judge LaBuy to determine a method of "equitable relief necessary and appropriate in the public interest."

The government made a proposal to Judge LaBuy's Court that du Pont should distribute its 63 million shares of General Motors common stock in 10 annual dividends to its own stockholders.

Under that plan, a total of 22 million shares which would go to Christiana Securities Corp. and the Delaware Realty & Investment Co., both du Pont stockholders, would have to be sold within 12 months of receipt.

The Internal Revenue Service, acting in an advisory capacity to Judge LaBuy, ruled for the court that shares of General Motors stock received as dividends under the government plan would be taxed at market value at time of receipt as "ordinary income" a ruling that du Pont estimated would cost the stockholders of du Pont and General Motors some five billion dollars.

In his summary, Judge LaBuy noted that the testimony given by the defendants, evidence given by men of wide experience in business, men who had discharged great responsibilities in the administering of investment funds and in marketing securities, must be given great weight.

THE EVIDENCE given by government witnesses consisted mainly of data regarding a variety of security offerings, charts of stock movement and the flow of investment funds.

Judge LaBuy commented: "The testimony of economists without practical experience or management responsibility cannot overcome the weight of such testimony (as given by experienced businessmen)."

Thus a distinguished judge decided that the testimony of businessmen with a wealth of knowledge derived from their daily struggle over profits and losses is more authentic than the evidence of government economists armed only with charts, theories and the security of a Civil Service position.

Judge LaBuy, speaking of the thousands of stockholders who would be forced to accept General Motors stock as a dividend and thus be saddled with full income tax responsibility, said: "On the government's own evidence, there would be a serious risk that the sales caused directly and indirectly by its proposed decree would depress the market value of the two stocks and cause substantial losses to the many thousands of direct or indirect holders of such stocks who cannot conceivably be called guilty persons or even persons aware of any illegality. The Court will not assume the responsibility of such risk."

Thus does a federal judge come to the inescapable conclusion that if some government is good, then a lot of government isn't necessarily better.

The avenue of appeal is open to the public but that avenue now echoes with the words of Judge LaBuy.

High And Junior Students To Hold Mock City Election

A mock city election will be held by students of East Liverpool High School and the Westgate and East Junior High Schools Tuesday under the auspices of the Junior Chamber of Commerce.

Some 3,000 students are expected to participate. Ballots have been printed with all city candidates and the 3 local issues — income tax referendum, City Hospital levy and garbage levy.

The program is being directed by the Jaycee get-out-the-vote committee. The ballots will be distributed to the schools Monday by Keith Sevy, chairman. The students will have the opportunity to read the ballots and take them home to discuss the issues and candidates with their parents.

The voting will be held during homeroom classes Tuesday morning. This operation will be directed by the Student Councils of the three schools. Each homeroom president will be in charge of collecting and tabulating the votes. The tallies will be given the Student Council presidents who will run a school tally.

The presidents are Bruce Jones, high school; John Sparks, East Junior, and Jack Alpern, Westgate. Plans for the program were formulated at a meeting earlier this week at the home of Sevy. The presidents were present.

The aim is to expose students to actual election issues and impress upon them the importance of their knowledge and understanding of the issues. It also is hoped that by having the student discuss the issues at home, the parents will be inspired to go to the polls and vote.

Sevy's committee includes Robert Donaldson, vice chairman, George Hales, secretary, Mike Roberts, Jack Hales and Harry Stewart.

Commissioner Airs Bond Issue For Democrats

Commissioner Frank Wilson spoke on the County Home bond issue at a joint meeting of the Wellsville Democratic Club and the Wellsville Democratic Women's Club Wednesday night at the Carnegie Library.

He also displayed pictures taken at the home near Lisbon. Final plans were outlined for Tuesday's general election.

A committee was named to conduct a house - to - house campaign election day to get out the vote. Anyone desiring transportation to the polls may call LE. 2-3606 or LE. 2-1040.

Guests included Don Gosney of Columbiana, county chairman, and Carl Stacey, a member of the Board of Elections.

Nine city candidates were introduced. Each spoke briefly.

Clifford Fultz, city chairman, conducted a business session for the men and Mrs. Grace Wilson, president, presided at the women's session.

Mrs. Dorothy Kiddy was named treasurer to replace Miss Dorothy Mundy who resigned. Mrs. Edna Brown was named chairman of a membership committee.

Stolen Car Recovered As Owner Files Report

While an East Liverpool man was at police headquarters early today filing a report on theft of his car, word flashed over the radio that the auto had been found abandoned at Weirton.

Clarence A. Bryan, 243 W. 5th St., discovered about 11:45 p. m. that his 1954 sedan was missing from a parking place in front of his home, where he had left it at 3 p. m. About 12:33 this morning, while he was at police headquarters reporting the theft, Hancock County authorities radioed a request for a check on the ownership of an abandoned car, giving Bryan's license number.

Suspecting what had happened, East Liverpool police queried the Hancock authorities and discovered that Bryan's car had been found by Weirton police. Bryan left for Weirton to bring home his car.

Recording Artist To Visit Midland Center's Dance

Paul Laughlin of Fairview, Ohio Township, who several weeks ago recorded two songs he composed, will attend the Midland Hi-Spot Jack O'Lantern Ball Saturday evening.

Lester Trainer Jr., 1157 Ohio Ave., Midland, is his agent. Laughlin has had two additional songs copywritten since the new record by Laurel Lobel.

He recorded his ballad, "Love Her Forever," and a stroll, "The Girl in the Walking Shorts," for which he wrote the lyrics. Bobby Caputo's Orchestra accompanies.

Laughlin, employed as a bookkeeper for the Midland Slag Co. for the last 10 years, is a native of Georgetown and was educated in Midland.

He has been singing since 10 and won the grand prize amateur contest at WKST in New Castle when 13.

In 1953, he won the KDKA Amateur Hour contest on radio and television only to lose the grand prize to "The Four Coins."

He sang four years with the Lincoln High School A Cappella Choir and served as president of the Midland Music Club for one year. He is a former member of the Midland Crucible Steel Male Chorus.

The Chicago White Sox won the American League pennant largely because they beat runnerup Cleveland, 15 times in 22 meetings.

Gen. Smith's Condition Reported As 'Critical'

WASHINGTON (AP) — Gen. Walter Bedell Smith is in critical condition in Walter Reed Army Hospital.

Make-Believe Cake Center For Girl Scouts Observances

A large simulated birthday cake constructed from cardboard was the centerpiece for the North Side area Juliette Low observance Tuesday afternoon at Lincoln School.

Designed by Mrs. J. Nessley Porter, Mrs. David Beatty and Mrs. Robert Bernstorf, the decorated cake had holes in the top in which each troop inserted large candles which held their pennies. The cardboard candles also held flashlights for a candlelight procession.

Karen Talbot deposited pennies for Troop 31; Chris Porter, 7; Nancy Sturgeon, 4; Diane Woods, 48; Janet Marshall, 53; Jane Patterson, 13; Ava Fisher, 2; Jeanne Smith, 17; Janice Huddlestun, 82; Linda Martin 26, and Mrs. Bernstorf's new Brownie troop, yet without a number, Patricia Bennett.

Miss Ellen Monroe, executive director of the Girl Scout Council, accepted the contribution which amounted to $17.93. This money, given in honor of the founder of girl scouting, is used to promote the work internationally.

Mrs. John Smith, leader of Lincoln Troop 17 extended the welcome to the troops from the Taft and McKinley Schools.

The invocation was given by Intermediate Troop 31 of Lincoln with Mrs. Ed Bayley as leader.

Intermediate Troop 7 of Taft, under the leadership of Mrs. Porter and Mrs. Beatty, led in the presentation of colors.

Mrs. Paul Edgell's Brownie Troop 4 of Taft led the pledge of allegiance.

The "Scout Promises" were conducted by Intermediate Troop 48 of Lincoln, Mrs. D. R. Sprouse, leader, and the new Brownie troop of Taft.

Brownie Troops 53 and 14 of McKinley, with Mrs. Carl Silverthorn and Mrs. Lawrence Keeper as leaders, led the singing of "Good Girl Scout" and Mrs. Ed Sanford's Brownie Troop 2 of Taft led "Brownie Smile Song."

Intermediate Troop 17 of Lincoln led "When E'er You Make a Promise" and the new second grade Brownie troop of Lincoln, "Bingo." Mrs. Victor Smith is leader.

Another newly formed Brownie troop, consisting of girls of the third grade of Lincoln and Mrs. Frank Hopper as leader, was introduced.

Retiring of colors was led by Intermediate Troop 7 of Taft. Closing Indian taps were conducted by Intermediate troops 26 of McKinley with Mrs. Donna Heebner, leader, and Intermediate Troop 82 of Westgate, with Mrs. Charles Huddlestun leader.

Parked Auto Damaged In W. 7th St. Collision

A parked auto was damaged in a collision Wednesday at 5:55 p. m. on W. 7th St. about 20 feet east of Jackson St., police reported.

A 1955 sedan owned by Central Service Co., 142 W. 7th St., was struck by a 1958 sedan driven by Mrs. Dorothy V. Johnson, 727 E. 4th St., who was making a right turn off Jackson St. onto W. 7th, police said. The woman contended the Central Service car was parked illegally, officers said.

The crash damaged the left rear fender of the agency's auto and both right doors and the right front fender of Mrs. Johnson's car, police said.

Ohio

(Continued from Page One)

ized compensation regulations went into effect.

Cleveland alone accounted for three - fourths of the statewide jump, as several large automotive factories ran out of steel.

The bureau said those out of work one week or longer in Ohio totaled 57,000 last week, not counting 8,000 claiming temporary extended benefits. A year ago in the same period the average was 94,000. Ten thousand among current claimants, nearly one-fifth, represent persons jobless as secondary effects of the steel strike. Those covered by federal unemployment insurance systems, for railroaders, federal employes, and former servicemen, are not included in the figure cited.

It is too early for total figures on October employment. But mid-September showed nonfarm employment in Ohio up somewhat from mid-August, despite primary and secondary effects of the steel dispute.

Both factory and nonfactory employment were up. Introduction of new model automobiles boosted manufacturing totals, the bureau said, and opening of schools and seasonal pickups in trade and service lifted nonmanufacturing. The grand total of employed—three million—was two per cent above the year-ago figure.

But contrary to the statewide pattern, Canton and Youngstown employment were down from mid-August to mid-September—more than two per cent at Youngstown but less than one per cent at Canton. Steelshort fabricators in Stark County and striking steelworkers in Mahoning - Trumbull - Mercer (Pa.) counties pulled their overall nonfarm totals down.

In the Youngstown area, steel mill employment fell from 52,000 in mid-July to 19,000 in mid-August to 15,000 by mid-September. The Canton area dropped six per cent from the year-ago nonfarm level. The Youngstown area, however, fell 14 per cent.

But earnings are still high, the bureau said. While down from their $106 per week peak last June, factory production workers in Ohio averaged $103 last month. Average hourly rates were down several cents, as higher - paid Steelworkers were off the payroll.

The outlook? It depends largely on steel, the bureau said. September and October are normally highest employment months in Ohio.

Candidate's Transfer May Leave Post Vacant

The job transfer of a Washingtonville Council candidate in Tuesday's general election has apparently created a potential vacancy which new councilmen may have to fill by appointment.

Richard M. Grell — one of the six uncontested candidates for Council — reported Wednesday he is being transferred to Ashtabula where he and his family are moving Friday.

Grell's name is on the ballot, and election regulations prohibit write-in votes where the slate for a post is full and uncontested.

Stan Jones, right - handed rookie pitcher in the Cincinnati chain, compiled a 19-4 mark for Geneva, N. Y., in the New York - Penn League this season.

Youth Penalized By Juvenile Jury

A 17-year-old Lisbon youth was fined $15 Wednesday on the recommendation of the second autumn session of Columbiana County's Juvenile Jury at Lisbon.

Juvenile Judge Louis Tobin fined Carl McPherson, 604 E. Lincoln Way, who was charged by the State Highway Patrol with improper parking on N. Market St. while delivering newspapers.

Atty. Thelma Hall was defense counsel, and County Assistant Prosecutor Warren Bettis represented the state. A venire of 40 high school students from throughout the county attended the session at the Lisbon Village Hall.

Sue Copenhaver of East Liverpool was forelady. Others on the panel were Donald Helman of East Liverpool, Leon Messer and Charles Smith of Wellsville, Sherry Ellioft and Sue Parker of East Palestine, George Shaw of Beaver Local, James Olnmausen of Fairfield-Waterford, Russell Wood of United Local, Patty Huffnagle of Leetonia and Pat Weingart and Lynn King of Goshen Union.

Roller Skating Planned For Palsied Children

Possibilities of providing roller skating for the children were discussed at the meeting of the Parental Group of the Columbiana County Affiliate of the United Cerebral Palsy Association Wednesday night in the clinic rooms of the Mary Patterson. The group will inquire at various rinks about private parties.

Mrs. Martha Garren, president, was in charge of business. Reports were given by Mrs. Wilma Laughlin, secretary, and Mrs. Clara Morgan, treasurer.

Mrs. Sylvia Weinbrant was appointed to inquire into the transportation of children to the clinic.

The group is selling vanilla to raise funds.

Refreshments were served by Mrs. Evelyn Mahon and Mrs. Garren.

Officers will be elected following the turkey coverdish dinner Nov. 18 at 6 p. m. in the clinic rooms. Mrs. Janice Southall and Mrs. Laughlin are in charge of arrangements.

2 Boys To Face Court On Auto Theft Charge

Two 16-year-old boys returned Wednesday from Belpre, where they were arrested early yesterday in an auto stolen in East Liverpool, are scheduled to be taken before Juvenile Judge Louis Tobin at Lisbon today, according to Capt. Robert H. Pyle, acting chief.

The two were taken into custody by Belpre police in a 1958 auto which John Wolf, 324 Campground Rd., Wellsville, reported stolen Tuesday from the Community Parking Lot. One boy resides in Wellsville and the other gave an address in West Liberty, W. Va., police said.

Educator Claimed

GRINNELL, Iowa (AP) — Dr. Rupert Adam Hawk, 56, faculty member and former acting president of Grinnell College, died Tuesday of a heart attack. He was interim president in 1954 and was treasurer of the college and secretary of the Board of Trustees from 1949 to 1956.

Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann Landers (Or should I say Carrie Nation II): I, for one, am mighty bored with your continual attack on liquor. You hammer away so often that I suspect you're either a kitchen drinker or once married to a sponge.

Did it ever occur to you that some people enjoy a pleasant libation now and then?

Just to show how far your poison has spread, last night one guy was feeling pretty good and when he went to the bar for another drink his wife said, half kidding and half serious, "I'm going to write to Ann Landers about this."

You keep telling people how damaging liquor is and then you quote doctors to back you up. I'd like to point out that there are more old drunks around than old doctors.—90 PROOF.

-:-

Dear 90: The "old drunks" you see around are probably a lot younger than they look. Nothing ages people like too much liquor.

Best Way Out

Dear Ann: I'm a girl 16 and have a serious problem which no one seems to be able to solve. Maybe you can help.

I'm going steady with a boy 18. I want to break up with him but I don't know how to do it. I had a slumber party at my house the other night and 14 girls offered ideas but I don't think any of them are very good.

The main trouble is I just hate to hurt this boy. He is so crazy about me he worships the ground I walk on. I'm afraid if I tell him I don't want to go steady any more he'll have a nervous breakdown. Please advise me.—F.F.

-:-

Dear F.F. (Femme Fatale, of course): Strange that a girl who casts herself in the role of a tender-hearted miss should be so insensitive to the boy's feelings that she would invite 14 girls to submit ideas on how to unload him.

If you really want to break up, just tell the fellow. Period. He'll live. I'll guarantee it.

Sleeping Genius

Dear Ann: In the 20 years we have been married my husband has had 18 different jobs. The major reason he gets fired is because he is late for work so much. He just can't seem to get himself out of the bed in the morning.

He blames me entirely and says it's a wife's responsibility to see that her husband gets up. Every morning he storms around, hollering, "Why didn't you make me go to bed earlier last night?"

When I tell him at night he should go to bed he says, "Shut up and stop nagging me."

He's always the last one to leave a party and he'll watch TV as long as there's something moving on the screen. In the morning I do try to rouse him he lies there like a dead man and I can't budge him. What can I do?—RIP'S WIFE.

-:-

Dear Mrs. Rip: Your husband's metabolism may be such that he is frisky at night but in the morning his caboose is dragging.

Since he changes jobs so frequently I suggest that the next switch be on a 3 p.m., to 11 p.m. shift or even from midnight till 8 a.m. Then he could sleep late in the morning and his best energies would be used at work, which is as it should be.

Confidentially

THE BISON: Your friend loses. You win. When chemically analyzed blood of all races is the same.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a stamped, self-addressed envelope.

Theft, Vandalism Probed By Police

Three cases of theft and vandalism are under investigation today by East Liverpool police.

George Keeper of Ray St. told police Wednesday at 5:17 p. m. that vandals broke into his trailer home sometime between noon Tuesday and 5 p. m. yesterday, ransacking and damaging the interior.

Carroll Motor Sales, Inc., 740 Dresden Ave., told police at 4:14 p. m. yesterday that two youths hurled a stone through a 15-x-12-inch pane of glass in its building, striking a 1960 model auto that was on a wash rack. No damage was reported to the car, officers said.

Charles Allison, 1104 Vine St., told police at 9:23 a. m. today that two hubcaps were stolen from his auto between 5:30 and 7:30 p. m. Wednesday while it was parked on E. 5th St. near Crook Alley.

Romanzo Lacey And Wife Now Residing In Louisiana

Mr. and Mrs. Romanzo Alton Lacey are residing in Metairie, La., following their marriage Oct. 3 in the First Methodist Church of Wellsville.

The bride is the former Miss Virginia Foley, daughter of Mr. and Mrs. Richard Foley, 1008 Buckeye Ave., Wellsville and her husband's parents are Mr. and Mrs. R. E. Lacey of Downers Grove, Ill.

The Rev. Wesley Tilton of Salem, former minister of the Wellsville First Methodist Church and now retired, officiated for the double - ring, open church ceremony.

A gold cross and lighted tapers in gold candelabra highlighted the altar setting of white carnations, mums and palms.

The bride was escorted and given in marriage by her father and wore a floor-length gown of white satin. The princess-style bodice was fashioned with a Sabrina neckline of Chantilly lace, dotted with tiny seed pearls, and long, pointed sleeves.

The bouffant skirt extended into a chapel train. Her fingertip veil of imported silk illusion was held in place by a pillbox of matching lace and seed pearls, enhanced with a teardrop in the front.

The English Bible she carried belonged to the late Mr. and Mrs. Jabez Rushton, friends of the bride's family, and was used at their wedding Sept. 4, 1900. It was topped with an array of white orchids, stephanotis, ivy and satin streamers tied in lovers' knots.

Miss Adda McLain of East Liverpool presented a half - hour of traditional organ music. Mrs. Joy Lipscomb of New Orleans sang "Through the Years" and "Calm Is the Night" preceding and "The Lord's Prayer" during the ceremony.

Miss Delores Foley, as her sister's maid of honor, wore a floor-length gown of turquoise taffeta and velvet. The bodice was styled with a long torso line and short sleeves. She wore a crown of velvet and pearls, featuring a theater veil, and carried a Colonial bouquet of mellon rosebuds, yellow pompons, turquoise - tinted carnations and lily-of-the-valley.

Miss Betty Foley of Shreveport, La., another sister of the bride, and Mrs. Esther Litton of East Liverpool were the bridesmaids. They wore gowns of gold, fashioned like that of the maid of honor, and crowns of velvet and pearls holding tulle veiling of gold. Their Colonial bouquets were identical to that of the maid of honor, but with gold - tinted carnations.

Irene Lacey, niece of the bridegroom, was flower girl. She wore a white organdy dress with matching headband and carried a white basket of mellon - color rose petals.

Richard Waggoner, cousin of the bride, was ring-bearer and was dressed like the bridegroom. He carried a heart-shaped, white satin pillow with satin streamers and forget-me-nots.

MRS. R. A. LACEY
She Was Virginia Foley.

Hubert Lipscomb of New Orleans was best man. Ushers were Rodger Lacey and Melvin Lacey of Downers Grove, brothers of the bridegroom.

The mother of the bride chose a robin egg blue lace-over-taffeta dress with Navy accessories. The bridegroom's mother was attired in a beige lace-over-taffeta dress with contrasting accessories. Both wore corsages of white carnations with ribbons to match their costumes.

A reception for 150 was held in the social rooms. A four-tier cake, topped with a miniature bridal couple, centered the buffet table. Lighted white tapers in silver holders, along with carnations, mums and gladioli completed the setting.

Aides were Mrs. Phyllis Phillips of East Liverpool, Mrs. Margaret Doyle, Mrs. Margaret Reed and Mrs. Rheta Gleasure of Wellsville.

Other out-of-town guests were from Parma, Akron, Dayton, Toronto, Baltimore, Racine, Wis., Rochester, N. Y., and Washington.

For her honeymoon flight to Las Vegas, the bride wore a black wool suit with matching accessories and her bridal orchid.

The bride is a 1952 graduate of Wellsville High School and was employed for 4 years as a bookkeeper with the Pilmer Hardware Store. She was graduated from the Grace Downs Air Career School of New York City and was a hostess for two and a half years with Capital Airlines. Upon her resignation in June, she accepted a position as technician with the Connecticut General Insurance Co. at New Orleans.

Her husband is a graduate of Downers Grove High School and Cal-Aero Technological Institute in Glendale, Calif. He was a jet pilot with the Air Force for two years and is now a pilot with Delta Airlines.

The rehearsal party the evening preceding the wedding was held at the home of the bride's parents.

Bringing Up A Family

By GARRY MEYERS

Help The Beginner Add And Subtract

Some children entering the first grade don't know the meaning of a symbol like 6 when it is seen or heard. So the teacher spends much time having all the children count numbers up to 10 or higher. Even in the second grade, these children may be kept counting things as they practice adding or subtracting the simple 2-place numbers like 4 plus 3, or 5 minus 2. When these children are in the fourth or fifth grade, they still may keep on counting out numbers as they add or subtract.

By Garry Meyers

As a rule, children in the beginning of number work are kept far too long at counting. When helping the child with simple addition or subtraction, parents may urge the child to count. Indeed, the parent supposes she is helping the child reason it out. That's not reasoning.

—:—

IT DOESN'T take much practice for a child to see that the numbers he adds stand for things he can count. As soon as he gets this idea, he should learn by heart the basic facts of addition like 6 and 3 are 9, 4 and 7 are 11, 2 and 8 are 10.

Although there are only 100 of these combinations, he will need to use them all his life. Later, he can memorize the 100 basic subtraction facts.

You may help your child learn these facts of addition by having him practice only three or four an evening, reviewing those he had learned before.

A good way is to buy or make cars with the whole combinations—such as 6 plus 7 are 13—printed on one side of the car, and only the 7 plus 7 on the other side. Have him say over and over, "6 and 7 are 13," until he is sure he remembers it, before testing him on the other side.

—:—

MOST PARENTS err by urging the child to attack too many cards at a sitting and by testing him on combinations he has not mastered. The secret of success if accuracy.

A child will tend to hurry and guess and thus make many mistakes. By being very calm and persuasive, induce him to go slowly and carefully. Speed will take care of itself.

When, for example, he remembers that 7 and 8 are 15, no one needs to hurry him to say it quickly. But if he counts out these numbers, he can't answer quickly no matter how hard he tries. If your child pauses before correctly answering, you can be pretty sure that he has counted.

Don't have your child practice combinations of subtraction and addition the same evening.

—:—

PARENTS WHO count objects as they live and play with the child, three to five, and who encourage him to count things up to 10, have this child so ready for number work on entering school that he will need little or no practice at counting.

In the past two decades there has been a sharp decline in the average patient's hospital stay. Twenty years ago, the Health Information Foundation says, the average stay was 12.5 days. Now it's only 8.6 days.

Your Community Fund

By MARGIE BROWN

'Why Should You Help? This Is Why'

(This is the last of a series of essays prepared in conjunction with the Community Fund campaign. It was written by Margie Brown, 930 Myler Rd.)

Every year about this time the Community Fund starts its drive. Every year the workers have to contend with the same problem, people who ask: "Why should I support the Community Fund? Let Joe do it."

MISS BROWN

Why should you help? This is why.

Where did your child go to learn to swim? He went to the YMCA probably. Why? Because the YMCA has qualified instructors and beside that the lessons were free. Where does the YMCA get money to give free lessons? From the Community Fund.

Here's another thing the Community Fund does. Think about the needy who can't afford to buy nice clothes or even enough food. Who takes care of them? The Salvation Army welcomes the poor. The Community Fund helps the Salvation Army.

A small child was killed by a car because he was playing in the street for lack of a place to go. If you had supported your Community Fund drive last year, this might not have happened. Why? Because the Community Fund supports Scouts and playgrounds to keep children off the street.

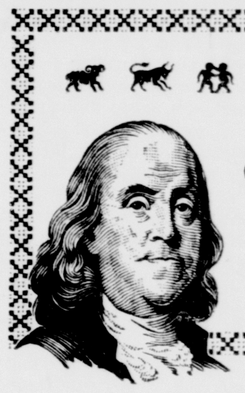

Neighbors, friends, Americans, I cannot urge you too much to support your Community Fund drive this year. The goal is $83,000. Your money is needed. You would miss the benefits you receive from the fund. So give. Give 'til it helps, not only because you want to, but because you should. I know I will!

Key Club Youths Visit Farms As FFA Guests

Five senior boys of East Liverpool High School's Key Club visited district farms Tuesday and Wednesday as guests of members of the Beaver Local High School Future Farmers of America Chapter.

Kenny Guy, Bruce Jones, James Locke, Darrell Smith and Bob Stewart were overnight guests on the farms in a program arranged by W. H. Strader, Beaver Local agriculture department head, and Merrill Hall, advisor of the Key Club.

The FFA hosts were Dean Bowman of near Elkton, Fred Crawford of Rogers, Jim Coie of West Point and Frank Fisher and Wayne Hickman, both of Calcutta. The program was sponsored by the County Rural-Urban Committee.

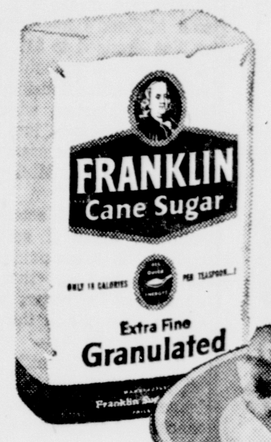

As Benjamin Franklin SAID:

"IF YOU WOULD HAVE GUESTS MERRY WITH CHEER, BE SO YOURSELF..."

...and a delicious way to give cheer is to serve tarts with Lemon Filling made with

FRANKLIN SUGAR

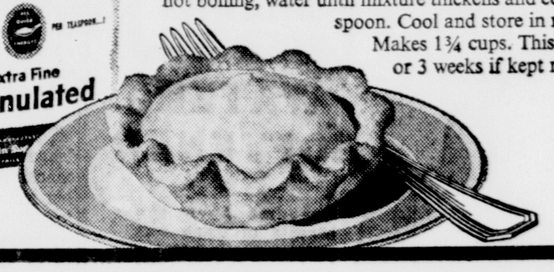

SWEET-and-SOUR LEMON FILLING

(For Tart Shells, Layer Cakes, Cookies, Cupcakes)

1 cup Franklin Extra Fine Granulated Sugar
2 large lemons
½ cup (¼ lb.) butter
3 large eggs, slightly beaten

Place Franklin Sugar in top of double boiler. Grate lemon rind, then squeeze lemons. Add rind and strained juice to sugar. Add butter and slightly beaten eggs. Stir over hot, not boiling, water until mixture thickens and coats back of spoon. Cool and store in refrigerator. Makes 1¾ cups. This will keep 2 or 3 weeks if kept refrigerated.

There's nothing like a new car and no new car like Chevrolet. This is the exciting Impala Convertible!

SIXTY'S SIZZLER

The car with the year's hottest style is getting the warmest reception of all! And it's no wonder... when you look at all the new and different things Chevrolet has for 1960! Come and see it!

THAT'S CHEVY!

You can tell already, by the growing number of new Chevrolets you see on the road, that this one's the sizzler for Sixty! It was bound to happen. When you make an effort to find out all the things most people want in a car, then make sure they're all designed into a car most people can afford, you're almost certain to receive a pretty hot reception.

People look over Chevrolet's 16 freshly styled '60 models. They see a choice of 24 engine-drive combinations, including a new Economy Turbo-Fire V8. They drive a Chevy. They like the way the ride has been polished and perfected with new rubber-cushion body mounts muffling road hum and vibration. They like Chevy's wide seats, its wonderfully easy handling, the whole feeling of cruising along smoothly and comfortably in a car that never tires of travel. They just can't see a good reason for looking any farther.

Matter of fact, it looks like Chevrolet has a corner on quality and fine features in its field. Even costly cars have to look to their laurels—Chevrolet sets a new standard by matching elegance with economy. By offering luxury you've never seen before in Chevrolet's price class. We've got a hunch you'll go for this one. Just try it ... and see if we aren't right!

Council Given Comparison

Midland Taxes Termed Lowest

Midland has the lowest total taxes that a property owner pays in any of seven other comparable boroughs and towns in Beaver County, Council was told Wednesday evening by two representatives of the Pennsylvania Economy League, Inc., who explained a tax comparison report.

The league's representatives were James N. Fullerton of the Rochester office and James G. Williams of Pittsburgh.

Fullerton, a league representative of Rochester, said the report was made at the request of Burgess Eli G. Corak and Council.

—:—

CORAK SAID the intent of the report was to evaluate Midland's position in the county in regards to seven other communities and to make certain that Midland taxpayers "have the right picture and know that Council is aware of any tax problems which the borough might face."

The report, Fullerton explained, concerns direct taxes on the property owner, including wage, per capita and occupation taxes besides the real estate tax. He pointed out that Midland has only the real estate tax. Indirect taxes such as deed transfer and amusement and others were not figured.

In the summary of the report, there is a comparison chart for Midland and seven other towns with two columns of breakdowns and totals to show taxes an owner pays on $3,000 and $5,000 properties.

An owner of a $3,000 property in Midland pays a total tax of $144, in Beaver Falls $226.80, Aliquippa $252.32, Ambridge $201.80, Beaver $202.30, Monaca $183.80, New Brighton $197.80 and Rochester $214.80.

—:—

AN OWNER of a $5,000 property in Midland pays a total of $240, Beaver Falls, $338, Aliquippa $381.92, Ambridge $293.80, Beaver $291.30; Monaca $263.80, New Brighton $281.80 and Rochester $308.80.

Figures in the report were arrived at by using the assessed values of $3,000 and $5,000 as examples and basing the wage tax on an average annual wage of $5,880 for a worker in an industry. The chart also shows various real estate tax millage for the county, school districts and the borough and any other direct tax which a town has.

During a question-and-answer period, Donald I. Green, Republican candidate for Council, asked if there is a way to compare taxes since Midland received a "tax gift" from the Crucible Steel Co.

—:—

FULLERTON replied that Midland pays the lowest taxes and has the advantage of still continuing Crucible's machinery tax, an assessment of $5,390,000, which will be written off over the next 5 years.

Corak asked Fullerton if it is a fact that Midland, with the machinery tax, is parallel with other communities which have $6 to $9 million in added assessments.

Fullerton said a first report of the league showed the new real value and the assessed value, or 30 per cent of the real value. He said Midland's assessment of $21 million dropped to $16 million. He said the drop probably was a result of Midland using the most realistic valuation when the new tax program went into effect last January. While assessments in other towns raised, Midland's lowered.

Atty. Robert Masters, borough solicitor, asked if services were included in taxes paid and Fullerton answered no, that the additional fees for water, sewage and others were not in the report.

—:—

RUDOLPH Presutti, tax collector, asked if Crucible consulted the league during negotiations for the machinery tax to continue. Fullerton said the company did, but not for detailed operations, rather it wanted to know if the borough was being efficiently operated and if the money was well spent for the community and its functions.

Presutti asked if Crucible was satisfied and Fullerton replied that the company went along on the borough's request for the tax continuation.

William Black, Republican candidate for Board of Education, asked if increased home assessments were due to a drop in industry and Fullerton said he could not answer since he had no figures on industry.

Fullerton said the reappraisal program for the current tax program was an attempt to equalize assessments. Most he said were raised and a few were lowered. He said the 30 per cent market value placed on all property to get an assessed value was equal for all owners.

Councilman Joseph Hibbard mentioned the cost of per capita taxes, occupational taxes, fees for the transfer of deeds and garbage fees. He asked how boroughs are to operate without wage taxes when workers are on strike.

—:—

FULLERTON said the situation is a serious problem. He said the league worked with towns using a wage tax during budget making and advised them that if a strike did occur, their budgets would not stand up, and they would have to cut certain projects or use deficiency financing with loans.

Nat Moll, a Midland furnace salesman, asked if the report had been notarized and pointed out its possible use during the coming election. Fullerton said the report is not notarized and explained that the league "has no political ax to grind."

He said "the league will stand behind its facts which anyone may get at the Courthouse and arrive at the same figures by simple arithmetic."

Masters asked for an explanation of the millage cut in Industry Township from 35 to 17 mills. Williams, the league's Pittsburgh representative, said that under the tax program the first year, the law allows only a millage increase of 105 per cent of the previous year's levy. Industry had a $1 million assessment raised to $8 million which was an 800 per cent increase, he said.

IN ORDER to get within the amount allowed by law, the millage had to be reduced to 17. The school district was allowed up to a 110 per cent increase. In dollars and cents, the amont received under 17 mills was the same under 35, he said.

Williams commented on the machinery tax, saying that the league worked with various governor committees to study Pennsylvania's need to attract industry and compete with other states. He said the dropping of the machinery tax was a result of such studies.

Corak commented on what he termed the conciseness of the report and said it will be given the public. Board of Education members also attended the meeting.

Council heard a progress report on the comprehensive plan being prepared by Morris Knowles, Inc., of Pittsburgh, given by Dr. Zanvel Sigal, Midland Planning Commission chairman, and Jack Wilson, planning engineer.

Wilson said the research and survey study was completed last week and is now at the printers. He said that it should be returned within a month.

—:—

AFTER FURTHER study by the commission and Council, the public will be invited to meetings to constructively critize it. He said the study is the basis for the plan and should receive much publicity.

Council, on a motion by Councilman Raymond Presutti, awarded a contract for $6,400, which included a $1,075 trade-in allowance to Migliore's Midland Ford dealer, for a new 2½-ton dump truck, on one of two bids.

Midland Auto Sales submitted the other bid, which amounted to $6,800 with trade-in allowance of $809. Masters, and R. E. Steebner, borough engineer, studied the bids after opening them earlier in the meeting.

Moll asked Council to enforce its ordinance requiring door-to-door salesmen to have a license.

He said that Midland businessmen are losing money due to others coming into the borough. Germusa, Council president, said Council will study his request and do all possible.

Council granted the request of John Headish, 1021 Beaver Ave. to cut a curb at his home for a driveway. Work will be done under the supervision of the borough engineer, Council said. Councilman Harvey Sponcer made the motion for the request.

—:—

ON A MOTION by Hibbard, Council approved an order for the Hamilton Awning Co. of Beaver to decorate the Borough Building with flag bunting for Veteran's Day Nov. 11 for $150.

Exonerations of $173.20 on the 1958 tax duplicate, asked at the last Council meeting by Presutti, tax collector, was approved on a motion by William Vinovich. The request had been under study.

Council agreed to consult the Duquesne Light Co. about a needed bulb in a street light on Ohio Ave. between 3rd St. and 4th St. Residents requested the light repair and Councilmen Sponcer and Lester Trainer made the motion.

Council's next meeting date was changed from Nov. 11, a holiday, to Thursday, Nov. 12, on a motion by Councilman Raymond Presutti, with Council voting in favor.

Negley And Waterford Plan Halloween Fetes

Halloween parades and festivities are slated at Negley and New Waterford Friday and Saturday.

At Negley, the senior and junior Youth Fellowship groups of the Methodist Church are sponsoring a parade Friday which will form at 5:30 at the East End store. The procession will move at 6, marching through town to the Fish & Game Club where costume prizes will be awarded.

A "Miss Negley" will be named to reign over the fete which will include free lunch and a variety walk. Donations for the program were made by merchants and individuals.

A parade will be held Saturday night at 6 at New Waterford. The Rev. C. E. Richardson is in charge.

Paar Invites Mae West

Chivalry has nothing to do with it, vows Jack Paar, but he's offering his TV platform to the irrepressible Mae West, who was un ceremoniously bounced from the first "Person to "Person" show of the season.

Marie Torre

The official CBS decree was that certain passages in the dialogue between Miss West and interviewer Charles Collingwood were in "questionable taste." But what may or may not have been said on the discarded "Person to Person" show fails to give Paar cause for pause.

"I can handle a Mae West interview," says NBC's plucky Cicero, who's managed to remain an intrepid soul in spite of his many years in a taboo-ridden industry. "Haven't I been able to handle Elsa Maxwell all this time?"

-:-

THE INVITATION has been extended to Miss West for December, when Paar and company will be visiting California for two weeks. In view of his last experience in the lotus-land vapors of Hollywood, it's unlikely that he'll be playing host to many of the other native stars.

"If nothing else, this trip has shattered for me the myth about the great ad lib artists out here," remarked Paar during his California stay last March.

"These people can't put a sentence together. Without scripts, they're dead. They're afraid to come on my show and engage in a little conversation because they can't talk without their writers.

"We can ad lib funnier stuff than they're writing here. As for the movie stars, they know only one answer. Ask them, 'How was your last picture?' and they say, 'It was fun!' So help me, that's all they say, 'It was fun!'"

-:-

IN SHORT, the stars don't twinkle out West, which makes you wonder why Paar is going back.

"Oh," he said, with impish delight, "I'm going back to aggravate them a little. I insult them in their own backyard, and some of them love it.

"Not the agents, though. The agents out there hate me. They hate me because their clients only get $230 for coming on my show, and this, they say, ruins the price structure."

Thus, to insure a babbling panel while in California, Paar will take with him the New York bunch — maybe Dody Goodman, too!

-:-

LUCILLE BALL is giving serious consideration to a TV sabbatical next year in order to appear in a stage play under the aegis of Broadway producer Kermit Bloomgarten. Negotiations reportedly are in progress, and it's not unlikely that Desi Arnez will follow her here for a legit venture of his own — if, that is, presidential duties at Desilu Productions permit the time off. . . .

Upon accepting the 1959 Man of the Year Award presented by Pulse (the rating service), Arthur Godfrey voiced the sentiment of most stars on the subject of ratings: "I loved them when they were up, and I thought they were wrong when they were down." . . .

For his Nov. 7 program, Jack Benny will re-team with the Marquis Family, the educated chimps with whom he gave viewers last year one of the most hilarious times in TV history.

SPONSOR MAGAZINE went trend spotting along TV Row and came up with the following observations.

Westerns: The newcomers have shown little signs of strength and even some of the holdovers are beginning to crumple under competition.

Situation Comedies: The old timers all appear to be in good health, but prospects for the newsomers, save one or two, are dim indeed.

Crime-Suspense: One or two of the newcomers may hold, with little chance for the rest, and one of last season's sturdy entries may well find its continued survival problematic.

Adventure Shows: The prospects are black for the entire incoming genre.

Variety, Standup Comedy: Optimism and promise here are highest of all.

Murphy Quits High U.S. Post

WASHINGTON (AP) — The resignation of Robert D. Murphy as undersecretary of state has almost completed an unplanned shakeup in the State Dpartment high command. It has been under way since Christian A. Herter took control last spring.

Two further developments are in prospect: a successor must be found to fill Murphy's key job. And Ambassador Charles E. Bohlen, veteran expert on the Soviet Union next week will assume a new post as Herter's special adviser on Soviet affairs.

The changes involving five policy-making positions could have important impact on the development of U.S. foreign policy toward various parts of the world, but Herter's associates say they were not made with any policy purpose in view.

Murphy's resignation was announced by the White House Wednesday night. Murphy, 65, wrote President Eisenhower that he was resigning effective Dec. 3 for personal reasons. The President accepted the resignation "with deep regret, but with complete understanding."

Later Murphy told reporters, "It was an awfully tough decison to make." He said he wanted greater financial security and more time with his family than his State Department duties had permitted. He will take a job in private industry.

Murphy had turned down the job of ambassador to West Germany. The post will become vacant soon with the retirement of Ambassador David Bruce.

Herter became secretary last April 22, succeeding the late John Foster Dulles.

Navy NROTC Program Forms Due By Nov. 14

Nov. 14 is the deadline for high school seniors and graduates to apply for the Navy's Reserve Officer Training Program, Sonarman 1C Frank L. Thompson, Navy recruiter at City Hall, reminded today.

Competitive examinations will be held throughout the nation Dec. 12. Successful applicants will be appointed midshipmen. The NROTC program makes it possible for a young man to earn a regular Navy commission while studying at the civilian college of his choice which has an NROTC unit, the recruiter explained.

All tuition fees and books are furnishd by the Navy and the student receives an annual retainer of $600 for four years. Men who will be 17, but not over 20, on July 1, 1960, may apply for the NROTC aptitude test, Thompson said. Further information and application blanks are available at the recruiting station on the third floor of City Hall. The forms also are available from high schools and colleges.

Counterproposals Eyed In Moldmakers Strike

PITTSBURGH (AP)—The Glass Container Manufacturers Institute and the American Flint Glass Workers Union considered counterproposals today in the 47-day-old strike of some 2,000 moldmakers across the nation.

"The counterproposals show continued progress in the negotiations," said Federal Mediator William Rose Wednesday after they were submitted. "I am optimistic that we are nearing an end in the strike."

Terms of the new proposals were not disclosed.

High Court Upholds Reversal Of Fine Against Photographer

COLUMBUS, Ohio (AP) — The Ohio Supreme Court has upheld the reversal of a contempt of court fine levied against an Akron newspaper photographer.

The high court Wednesday refused to admit the case of Julius Greenfield for review, an action that allowed an appellate court ruling to stand.

Greenfield, of the Akron Beacon Journal, was fined $100 and costs by Judge Don Young of Norwalk for taking a photograph through the window of a door of Wayne County Juvenile Court while court was in session.

Ohio law provides that a court may punish a person guilty of misbehavior "in the presence of or so near a court or judge so as to obstruct the administration of justice."

The appellate court ruled the record failed to show Greenfield obstructed the administration of justice in any manner. Records showed Judge Young was not aware of Greenfield's action until notified by a bailiff.

If there was anyone obstructing the court, the ruling added, it was the bailiff.

Greenfield stood in a corridor outside the courtroom to snap a picture of proceedings involving failure of Amish parents to send their children to public school as required by law.

The Supreme Court has a ban on photographs or broadcasts from inside all Ohio courts of record during sessions.

Among other actions Wednesday the Supreme Court:

Let stand a denial of tax exemption imposed by the Ohio Board of Tax Appeals on the portion of the Lucas County Fairgrounds used primarily for horse racing.

Let stand the reversal by Huron County Appellate Court of a judgment for Cyril W. Dawson. Dawson filed a $3,000 damage suit against John Selka on grounds Selka improperly constructed a basement for a new house planned by a Norwalk lumber firm.

700,000 Ohioans To Collect Half-Billion In Old Age Pay

CLEVELAND (AP) — About a half-billion dollars will be collected by about 700,000 Ohioans this year in social security payments from the federal government.

This was evident from a report which Melville H. Hosch, regional director, gave Wednesday showing 694,286 persons in Ohio were receiving payments at the end of last February, the last time totals were figured.

The major share of the money and of the people receiving it comes under the retired men and women classification and represents funds contributed by them and their employers. In Ohio the average retired workers was drawing $75.74 a month in social security last February. This compares with $79.64 in Connecticut, which has the highest state average, and $54.66 in Mississippi, where the average payment is lowest.

The number of retired men and women getting federal old age insurance benefits in February in Ohio was listed by Hosch as 379,611—up 39,939 from a year earlier. Total payments amounted to $28,749,888 a month, an increase of $5,547,180 from a year earlier.

To 117,746 aged dependent spouses, a monthly total of $4,820,854 was being paid in Ohio last February.

Under the comparatively new disability provision, 13,638 persons were drawing $1,254,426 a month.

Survivors' benefits to widows, minor children and aged dependent parents totaled more than a half-million dollars monthly.

PONDER WELL

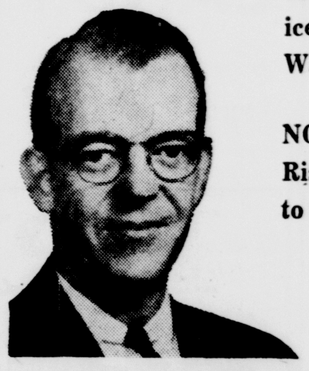

YOUR BALLOT COULD DECIDE OUR FUTURE

REMEMBER THAT, when you go to the Polls next Tuesday. It's YOU who must decide whether we risk slipping back to the "wide-open" days . . . or, Stay Ahead, while we can.

REMEMBER, it was just 2 years ago that all was Confusion in City Hall. Blind Spending had stripped the "cupboard bare". City Services were in shambles . . . equipment needed, employees furloughed.

SINCE THEN, Our City has come a long way back, through Honest, Capable MANAGEMENT. We've seen UNBOSSED leadership at work . . . seen Services improve under alert supervision . . . seen Waste, Corruption and Rackets curbed.

NOW, it is YOUR "peace-of-mind" that's at stake. Risk a revival of "political fumbling" . . . or, Vote to continue with—

Youngest Supreme Court Justice Describes His Job

By JAMES B. SIBBISON

WASHINGTON (AP) — "Everyone wants to see the new giraffe in the zoo," Supreme Court Justice Potter Stewart observed.

He was referring to himself, and his career on the highest bench that started just a year ago. So many people want to see the Ohioan who—at 44—is easily the youngest member of the nation's highest court.

But Stewart has to refuse most of the many invitations he receives to speak, to attend parties, to write articles. He says he simply is too occupied with his work.

He talked about his job the other day in his office. As he figures it, he participated in perhaps 150 cases a year when he was on the U.S. Circuit Court of Appeals in Cincinnati.

That compares, he said, with 1,800 cases decided by the Supreme Court in the last year—and he had to read every one.

"That means working almost every night at home," he said. "I have a hideaway on the third floor where I read. Also I'm usually here (in his office) Saturdays.

"Sometimes I'm interrupted in my reading at home by my two older children, asking help on their homework. I'm glad to do it, too."

Stewart is proud of his children: Harriet, 14, Potter Jr., 11, and David, 8. Harriet is at Madeira School in suburban Virginia, Potter attends St. Albans in Washington. Both are private schools.

David goes to Jackson public school in the Georgetown section of Washington, where the Stewarts have rented a house.

"Harriet, the oldest, is an excellent student," her father said. "Potter was just elected president of the sixth grade."

Stewart has a cardinal rule that homework must be completed before Harriet and Potter may watch television. Usually, that means they don't get to watch much.

"But, David, the youngest, is quite a TV fan," he said.

The justice himself watches only an occasional football or world series baseball game. He says he hardly has much time for outside reading, let alone time for television.

He manages to read the New York Times and Washington Post every morning. Currently he is reading a novel about Washington politics, "Advise and Consent."

How would he describe the work of a Supreme Court justice? As he put it in an address to a group of lawyers a few weeks ago, it's much like the work of federal judges elsewhere—with this difference:

"The tempo is faster, the pressures greater, the conflicts sharper.

"There is the ever-present consciousness, at least for a newcomer, that he is functioning in a goldfish bowl—the uncomfortable feeling, as one of my colleagues has put it, that everything he writes is chiseled in stone."

2 Ohioans On Staff Of Justice Stewart

WASHINGTON (AP)— Supreme Court Justice Potter Stewart has three Ohioans on his staff.

His private secretary is Miss Elizabeth Kenney, who served him in the same job when he was on the U. S. Circuit Court bench in Cincinnati.

Both of his law clerks are Ohioans: Jerry Israel of University Heights, a Cleveland suburb, and Jack Evans of Nelsonville (Athens County).

Venire, Judge Chosen In 3 Property Trials

LISBON — A special venire of 48 prospective jurors was selected Wednesday for 3 land appropriation suits involving the Ohio Edison Co. and property owners on the right - of - way for power lines.

Judge W. W. Badger of Millersburg in Homes County has been assigned to hear the trials after Judges Joel H. Sharp and Raymond S. Buzzard disqualified themselves because of ownership of stock in the utility.

The first trial is to start Nov. 9. The owners of property which the utility appropriated for construction of transmission lines include Thomas F. Lucas of Salineville R. D. and others, Virgil Ikirt of 200 W. 6th St., East Liverpool, and others and Hazel Hart of Salineville and others.

Couple Seeks To Sell TV Interests To WSTV

WASHINGTON (AP)—Mr. and Mrs. Ramon G. Patterson have asked the Communications Commission for a permit to sell their interests in a Chattanooga, Tenn., television station to WSTV, Inc., which operates WSTV AM, FM and TV at Steubenville, Ohio.

The Pattersons own 70 per cent of WRGP-TV and have asked $1,675,000 for their share. The remaining 30 per cent is owned by Follansbee Steel Co., Follansbee, W. Va., which is controlled by the principal stockholders of WSTV, Inc.

WSTV also owns outlets in West Virginia, Missouri, Louisiana and Florida.

Bethlehem Steel To Report Today On Loss By Strike

NEW YORK, (AP)—Bethlehem Steel Corp. today will just about wind up the parade of big steel firms reporting on how badly they have been hit by the steel strike.

The nation's second largest steel company will issue its third quarter earnings statement shortly after close of the New York Stock Exchange at 3:30 p.m.

As with other major companies completely shut down by the strike, Bethlehem is expected to report a loss for the third quarter.

Until the strike, Bethlehem was doing very well. For the first half of this year it earned $73,591,528. That set an all-time record for any six months.

The following are net third-quarter losses reported by other companies so far, compared with 1958 net income for the corresponding quarter: U.S. Steel, $31,135,136 compared with $74,922,924; Republic Steel, $24,861,406 compared with $15,184,641; Youngstown Sheet, $7,149,660 compared with $3,641,906.

Wheat Expert Taken

EL RENO, Okla. (AP)—Joseph Danne, 72, who developed Triumph variety wheat, died Wednesday. Danne, who had only a grade school education, started experimenting with animals and plants as a youngster and in 1927 he started work on his Triumph wheat. He was born at Avoca, Neb.

Midland High Open House Set To Observe Education Week

Plans for "open house" at Midland Lincoln High School during the observance of American Education Week, which begins Nov. 8, were announced by Principal William A. Walters.

He said many churches will join in the observance with pastors giving sermons on the subject. The school's observance, with parents invited to attend the high school, will be held Monday, Nov. 9 from 7 to 9 p. m.

Parents will visit homerooms and receive a copy of their children's schedule. They will follow the schedule in seven five-minute periods.

Afterwards, parents may visit with teachers and inspect buildings, including the new gymnasium. Lunch and refreshments will be served in the old gymnasium about 8:30 p. m.

Open house will be observed at 1st and 7th St. Schools on Nov. 10 and at 4th St. School on Nov. 12.

Walters said Miss Helen Karcher, librarian, is attending a librarian conference today at Beaver. John Wilson, a teacher and president of the Midland Educational Association, and Miss Marjorie Lovejoy, English teacher, will attend the Pennsylvania State Educational Association meeting in Bedford Friday and return Sunday.

Walters said he will attend the Beaver County Principals' Association meeting at Aliquippa High School Monday at 6:15 p. m. Raymond Stowitzky, guidance director, will also attend.

High school students will register Monday for a mock election to be held Tuesday. George Hamilton and Gerald LaValle, problems of democracy teachers, will be in charge.

A paid assembly will be held next Thursday at 10:15 a. m. with "Wimpey," clown in "Sawdust and Spangles," provided by the School Assembly Service of Rochester, N. Y.

Miss Mary E. Wagner, English teacher, will attend a meeting of the Tri Hi-Y girls organization Nov. 6-8 at Pennsylvania State University at University Park, Pa. She will attend on the district level.

Glenmoor Group May Disband After Nov. 18

An election of officers scheduled for Wednesday night by the Glenmoor Improvement Association was postponed because not enough were present to conduct a vote.

Stewart Snyder, president, said another meeting was called for Wednesday, Nov. 18. If enough citizens are present, the election will be held — if not, the organization will be disbanded, Snyder said.

Eleven, including officers, were present last night. Snyder said a discussion was held on the lack of co-operation being received from the residents of the area.

He pointed out that 200 attended the first meeting when residents feared East Liverpool might take steps to annex the area. The enthusiasm died when no such action was taken, he said.

Orderly, Nurse Pull Woman From Ledge Of Building

CLEVELAND (AP)—A male orderly and a nurse pulled a 21-year-old woman from a third-floor ledge of Forest City Hospital Wednesday night as she prepared to make a 40-foot jump. She was on the ledge for 15 minutes.

The woman patient had been taken there earlier in the day after swallowing 10 sleeping tablets following a quarrel with her husband.

She broke loose from straps which held her to her bed, crawled to the three-foot ledge after removing the screen and began screaming:

"I'm going to jump. My husband is going to leave me."

While she was on the ledge, a patient in an adjoining room talked with her to calm her and firemen arrived and put out nets.

Leland Howard, 30, the orderly, and Mrs. Virginia Babbs, 23, the nurse, were able to grab her just as she straightened from a crouching position, apparently to make the jump.

Initiated In Fraternity

A new theory of the origin of the moon's craters is that they were caused by gas bubbles erupting through the surface.

How Can I

By ANNE ASHLEY

Q. How can I avoid the loss of beads when the string holding them accidentally breaks?

A. The next time you restring the beads, apply a liberal coating of hard soap to the string. Although one or two of the beads may drop off when the string is severed, the remainder will stay in place, held by the adhesive quality of the soap.

Q. How can I clean a rusty knife?

A. It can be cleaned very satisfactorily by dipping a damp cloth into ashes and rubbing the blades thoroughly until the rust disappears.

Q. How can I remedy the necks of polo shirts or T-shirts that have become stretched?

A. These can be pulled back into shape by stitching around the outer edge of the neckbands with some elastic thread.

Gets Life In Pen

WARREN, Ohio (AP)—Common Pleas Judge G. H. Birrell Wednesday sentenced John Sacha, 70, to life in Ohio Penitentiary for shooting Mrs. Katherine Propkowchow last August in a dispute over the boundary between their properties. Sacha was indicted for first-degree murder but allowed to plead guilty to second-degree and to a charge of shooting with intent to kill. He wounded Mrs. Propkopchow's husband, Joseph, and was sentenced to 20 years on that charge.

Negroes Barred From Swimming Pools In Miami

MIAMI, Fla. (AP) — Negroes were barred from six city swimming pools and other recreation areas today after quick reversal of City Manager Ira F. Willard by the Miami City Commission.

Willard had issued an order Tuesday opening the previously all-white pools and parks to Negroes and six Negroes used two pools Wednesday before the commission acted.

"I had no legal basis on which I could refuse them entry," Willard told the commissioners.

Mayor Robert King High said he had "grave fears about what might happen if Mr. Willard's order was put into effect."

Willard issued an order returning the pools and parks "to the status they were before."

The NAACP has said if the commission did not open the recreation areas it would go into court again.

Court action already has brought integration to the city's golf course and public transportation.

To Be Married Again

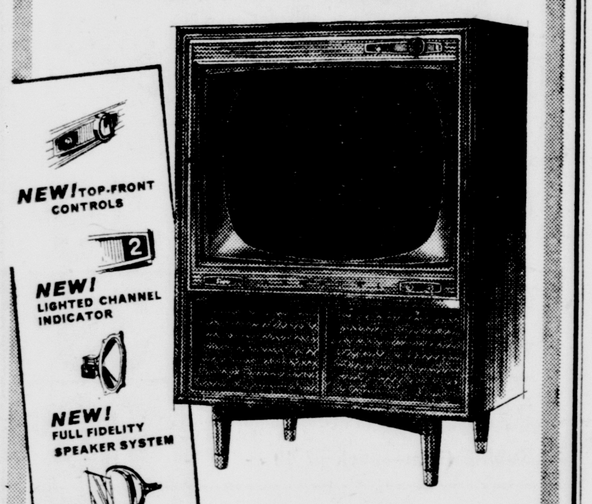

SAN FRANCISCO, (AP)—Striptease artist Lili St. Cyr and her sixth husband, Joe Albert (Strong Boy) Zomar, 39, of Los Angeles will be married again here Friday. They were married in Tijuana, Mexico, Sept. 21, but, says Miss St. Cyr, "We thought it would be good to get married in California. I like California."

Keep in Trim

By IDA JEAN KAIN

Frontline Bulge Can Be Banished

Fat is prone to settle on muscle-lazy areas. The stomach (abdomen; seems to be the big problem. When the muscles that form the abdominal girdle lose tone, the middle spread is on.

Ida Jean Kain

This being Hallowe'en week, chances are some skeletons will be abroad. Quite likely one of the "trick or treaters" coming to your door will be wearing a black suit on which a white skeleton is painted. A second glance at that white outline can reveal why the middle spread is so common. Note that from the end of the ribcage to the pelvic girdle, there is nothing but backbone. With no bony structure for support, the muscles of the abdomen are forced to take over the task of holding the middle measurement in line.

—:—

WHEN THESE important muscles get soft and flabby — all is lost! Excess fat on this measurement adds to the middle spread.

To flatten the frontline, you must restore tone to the muscles that form the abdominal girdle and get your posture on the beam. In proper posture the body is held in a way that makes it "self-supporting" with a minimum of strain on muscles, bones, ligaments and organs.

Of course if you are toting a hefty amount of excess poundage, reducing is in order. Practice getting up from the table before you have overeaten — that's slimming practice.

Exercises to strengthen the abdomen should, at the same time, help to improve your posture. The first exercise restores tone to the side-front muscles, the obliques.

Position: Lying on back on floor, knees bent, soles of feet flat on floor, arms out at sides at shoulder level.

Movement: Raise hips only slightly off floor and tilt them up to the right, pulling in forcibly with the side-front muscles — hold for a slow count of six. Do not hold your breath. Return to center, tilt hips to the left side, again pull in strongly and h-o-l-d. Repeat 8 to 16 times.

Finish with knee circling. Position: Lying on back, knees flexed, palms of hands on floor at sides.

—:—

MOVEMENT: Holding thighs together, describe circles with knees. As knees circle up, lift hips slightly off floor. Describe six circles to the right, then six circles to the left. Now "rest" for five minutes.

Remain in same position, hug knees to chest as you pull up-and-in with girdle muscles, flattening small of back against floor.

Restore bracing tone to the girdle muscles, keep your posture on the beam, and your figure will appear a good ten pounds slimmer.

Send a long, stamped, self - addressed envelope for illustrated exercise leaflet entitled "Away With Middle Spread." Address your request to Ida Jean Kain, in care of this newspaper. Post card requests can not be answered.

Air Force Takes Step To Cut Men And Add Missiles

WASHINGTON (AP)—The Air Force will close one air base and eliminate three fighter defense squadrons in its new policy of fewer men and more missiles.

Two group headquarters also will be dropped, the Air Force announced Wednesday.

Secretary of the Air Force James Douglas had said he planned to drop 20,000 men from the service this fiscal year. The money saved would be spent on missiles and other equipment, he said.

The inactivation schedule announced by the Air Force:

March 1960—Ethan Allen Air Force Base, Winooski, Vt.; the 37th Fighter Interceptor Squadron, Burlington, Vt.; the 86th Fighter Interceptor Squadron, Youngstown, Ohio; the 79th Fighter Group Headquarters, Youngstown.

Summer 1960—The 15th fighter Interceptor Group Headquarters and the 47th Fighter Interceptor Squadron, Niagara Falls, N.Y.

Lake Coal Loading Up

CLEVELAND (AP) — For the week ended Monday 1,149,716 tons of coal were loaded on vessels at Lake Erie ports, the Ore and Coal Exchange reports. The season total of 33,643,869 is nearly two million tons ahead of 1958 to this date.

Opposes Purchase

CLEVELAND (AP)—Al Koran Temple of Shriners from a territory extending from Youngstown to Lorain voted 672 to 538 Wednesday night against purchase of the old Euclid Ave. Baptist Church building at East 18th St. and Euclid Ave. Al Koran Temple had a 60-day option to buy for $550,000 the 32-year-old Baptist building to replace its headquarters at East 36th St. and Chester Ave. razed earlier this year by fire.

Benefit Game Set At Chester Park

Plans for a benefit football game for the Chester City Park community building fund were completed at a meeting of the Park Commission Wednesday night.

The game between the Chester High School reserves and the Jefferson Union reserves will be played Monday night at 7:30 at the park field.

Miss Sara Thomas, treasurer, reported $518 has been received from the quarterly mail solicitation sent out early this month.

Miss Thomas reported $23 was collected by the Key Club at the Warwood-Chester game, and $98 was netted from a benefit game between the Chester reserves and the Weirton Madonna reserves.

A total of $1,691 is in the building fund, Miss Thomas said.

Harold Dickey, chairman, was in charge. The next meeting will be Nov. 25.

Census Form Sent Farmers

Questionnaires for the 1959 agriculture census have been mailed to local farmers, the Bureau of Census of the U. S. Department of Commerce announced.

The forms have been mailed from Chicago so that farmers will receive them a week or so before census takers begin the field canvass.

The advance mailing enables farm operators to consult the records before supplying information required by the questionnaires and getting the forms ready for the census takers to pick up.

The questionnaire is designed to provide information on the number and size of farms, harvest of crops, livestock production and inventory, farm facilities and equipment, expenditures, farm values and mortgage debt.

Each farmer is asked about 100 questions, many of which can be answered with a simple yes or no.

Syracuse U. Eyes Chance To Climb In Grid Standings

SYRACUSE, N. Y. (AP) —Syracuse is madly in love with its football team, currently ranked No. 5 among the nation's powers.

Here is a typical observation:

"Louisiana State (No. 1) and Mississippi (No. 3) play Saturday. One of them has got to lose. Maybe Texas (No. 4) will get knocked off, too. There might be two places open for us."

A visitor from outer space hardly dares to suggest that Syracuse, too, might lose Saturday's game at Pittsburgh.

Coach Ben Schwartzwalder still spins such homilies as "we'll play them one at a time" and "we're just country folks."

Knowing it would do no good to ask about future opponents ("they're all tough"), a fellow asked which was the best club Syracuse had met.

"Navy (32-6), I guess," Ben started. "Maybe Kansas (35-21). They scord the most on us. Holy Cross (42-6) gave us a scare. They scored first. But Navy moved the ball against us on the ground (59 yards). I guess you'd have to say Navy."

Syracuse has been playing intercollegiate football since 1889. In all those years, it never had an unbeaten club. Many able critics think this one will go all the way.

"Our line has been coming along pretty good," commended Ben.

The first line — nicknamed the "Sizable Seven" by publicist Val Pinchbeck in a moment of inspiration — has yielded a grand total of 140 yards in five games. The enemy ground game has averaged 28 yards a game.

Asked to name the key linemen, Schwartzwalder listed Roger Davis (6-3, 228 pounds), his shortside guard, and his tackles, Maury Youmans (6-6, 226 pounds) and Bob Yates (6-1, 250).

"Everybody asks me to compare halfback Ernie Davis with Jimmy Brown. Everybody else does but I don't. Davis is coming along fine, improving every game (he averages 7.6 yards a carry)."

Schwartzwalder came to town in 1949 when football was at low ebb at Syracuse. A concerted drive toward "big time" status has paid off. Ben couldn't be more pleased about this turn of events.

"If you're going to play," he said, "you might as well mingle with the folks."

Passing Of Polshaw Looms As Big Threat

Crusaders Have Big Forward Wall

The passing of quarterback Joe Polshaw, who has thrown for at least one touchdown in each of Steubenville Central's six victories this season, looms as the big threat to the East Liverpool Potters Saturday night.

In addition to Polshaw, the Potters, who own a five-game winning streak of their own, will have to battle a much bigger line. They will be outweighed about 20 pounds per man.

Polshaw, surrounded by two fast halfbacks, is the ringleader of the Crusaders' offense. He was razor sharp last Saturday night when Steubenville defeated 10th - ranked Cincinnati Elder, 20-8.

—:—

THE VETERAN passer tossed twice for touchdowns and scored the other on a sneak.

The combination that East Liverpool will have to break up is Polshaw-to-Kenny. John Kenny who plays right end is Polshaw's favorite target.

Other starters for the Crusaders include Brian Moore (170), rated a "very good back" by Potter Coach Lou Venditti, and a 135-pound speedster Jerry France. John DiLorenzo (165) will be at fullback.

On the forward wall, Central was dealt a big blow when guard Brian Patchen, a 190-pounder, injured his leg against Elder. He will be lost for the season.

Coach John Baroni reached into his bench strength and came up with Bob Borkowski, a 195-pounder, who will replace Patchen on defense, and Fred DiBonato (180), who will handle Patchen's job on offense.

—:—

THE BIG LINE shows two boys over the 200-pound mark. Earl Marchall at 230 will be the starting right guard, while Bill Slocum, who weighs in at 205, gets the call at right tackle.

Dave France (160) and Kenny (165) get the nod at ends while Ralph Zrinyi (185) will be at the other tackle. Henry Mieczkowski (195) will start at center.

With a stronger bench, Central may wear the Potters down. Baroni makes seven changes on defense, while East Liverpool only makes two.

In the defensive lineup for Central, Mike Gilson, Tom Erosovich, Paul Kenny and Guy Lamantia will be used in the secondary, while Borkowski, John Crispino (160) and Dick Franckhauser (165) will be on the forward wall.

Central and East Liverpool have met two common opponents. And if comparative scores mean anything, it still comes out about even.

The Crusaders defeated Struthers, 32-8, and tripped Bellaire St. John's, 32-14. East Liverpool gained a 22-0 decision over Struthers last Friday night and defeated St. John's 38-6.

The undefeated Crusaders opened the season with an 18-7 win over Columbus Aquinis, then defeated Struthers, followed with a 32-20 victory over Wheeling Central, edged Weirton, 6-0, then added St. John's and Cincinnati Elder to the list.

Cincinnati Elder is the same team which upset Alliance, 14-8, two weeks ago. Before Elder met Central, the Cincnnati team was ranked 10th in the state.

—:—

COACH BARONI, a former Notre Dame gridder and a standout at Central during his high school days, is in his third year as head coach of the Crusaders.

During his three-year tenure, Central has split in two games with the Potters. East Liverpool won the 1957 contest, 21-14, in the waning minutes, but last year Central handed the Potters and 18-0 setback.

Venditti reported substitute halfback Joe Thompson was showing his best form of the season in practice. "If we have to rest Dave Zelch or Henry Roach, Thompson will be in there", Venditti added.

The Potter coach said Cookie Goodballet, East Liverpool's consistent punter, has been out of school this week with flu, but may shake it off in time to play Saturday night.

There is still a battle at the tackle spots. Although Craig Burbick and Bruck Reynolds started at Struthers, Skip Hall may get the nod Saturday night, Venditti said.

'Send-Off Rally' Set For Potters Saturday

A "send-off rally" will be held Saturday at 5 p. m. in the Diamond before the East Liverpool High School football team leaves for its game with Steubenville Central.

The rally will be similar to the one staged before the Warren game two weeks ago when the Potters pulled the biggest upset in the state.

The high school band, cheerleaders and the high school Boosters Club will be on hand.

The band will meet the team at the corner of 4th and Market Sts. and march to the Diamond.

Round Winners Decided . . .

First-round championships have been decided in two City Association loops.

Rearks is wearing the crown after capturing the first-round title in the Federal League. Rearks pulled out to a 33½-to-30 advantage over Carlings on the final night.

Jumping over to the American Loop, Tonti's Hotel finished on top with 37 points, three better than its nearest rival, Rand Drugs.

Best game in the Federal League was a 226 by Krebbs. Chuck Stewart finished with a 223 and 602 series.

Bob Nicholson rolled a 223 in the American League.

—:—

AFTER taking three straight from Village Green Monday night, it became apparent that the Owls Club will capture the opening round in the National League.

The last time we looked Owls Club had an 8-point advantage over Turf Bar and Rearks Cigars, who were tied for second with 22 each. There are only two more nights of bowling remaining in the first round.

Hune Co. Keeps Pace . . .

HUNE CO. dropped one game but won two and is in striking distance of the leader in the Lisbon Classic League.

Fisher's Sports Equipment is in front with 21 points, while Heck's Restaurant holds second with 20. Hune Co., the only East Liverpool entry, is third with 19½.

Rated one of the toughest leagues in Columbiana County, 32 games of 200 or better were rolled in the Classica League last week.

Among them was a 225 turned in by Ralph Cook and games of 220 and 204 by Butch Wucherer, both of Hune Co.

Fishers rolled a 2,899 for the second best score for a three-game series. Fishers also own the first high with a 2,900 turned in earlier this season.

Dick Hahn, who holds the high single series of 647, turned in a 642 last week.

—:—

THE SALEM Bowling Association has named Ralph Cook, a local bowler, to its executive committee for the coming year.

The association, which includes leagues from all over Columbiana County, elected Dale Klingensmith of East Palestine, president. Other officers iinclude Bill Pauline of Salem, Art Biscan of Lisbon, Joseph Woods of Leetonia and Bob Rockwell of Lisbon.

The association met last Sunday at Salem with about 70 members present, including Mark Westerman, ABC executive director, and Richard T. McMaster, ABC field representative.

Splits To Spares Department . . .

TURNING to the split-to-spare department, the National League showed Marty Fridrick with a 5-7-9, Pinky Higgins 5-6-10 and 4-5, Early 6-7, Tracy Hancock 5-7, Claude Ruckman 5-10, Dale Craven 5-7 and Don Schreckengost 5-10 twice.

Dick Cundiff had the 2-5-7 and 5-7 in the T.S.& T. League, while Bill Purinton picked up the 5-10, John Pillo 5-6 and Glenn Wilson 5-10.

In the Federal League, Chisler had the 5-7, Zagula 5-7 and 5-6, R. Haney 5-7-9, Ruckman 4-7-9, Johnson 3-6-7-10, Kollamayer 5-6, Walker 5-7, Hannon 6-7-10, R. Talbott, 4-10, A. Haney 5-7 and Powell 6-7-10.

Wasko had the 3-7, Hutchman 5-6 and 5-10, Barnhart 5-6, Smith 5-7-9 and Allison 5-10 in the City Ten Pin League.

The Cats and Dogs League showed H. Kidder with the 3-10, Dick Judy 5-7, Jim Dickson 4-5-7, Lewis 5-7 twice and 3-10, Pat Black 5-7 and M. Clendenning 4-5.

In the American League, Bob Nicholson claimed the 6-7 and Dale Rudibaugh Jr. 4-5-7.

The Koppers League lisetd Don Triller with the 5-6, Harry Kjellman 5-10 and Neil Gleberman 5-7.

The Cosmo League had several conversions with Thelma Gregory picking up the 5-7, Lois Ludington 5-10, Ann Creaturo 5-6-10, Helen McKinnon 5-8-10, Jenny Mackall 5-7 and Mary Lako 4-5-7.

The Big Ten League listed Barbara Howard with the 6-9, Joan Soldano 4-5 and 3-7-10, Frank Angelo 5-10 and 5-6, Fred Krebs 6-7-10, Katie Mikeals 5-6-10, Helen Duffy 2-7, Henry Cain 5-10 and Mary Allison 4-5-7.

NCAA Places Wyoming On Probation For Year

BOSTON (AP)—The University of Wyoming is expected to appeal a decision by the NCAA council which placed the school on probation for a year and ruled the cowboy football team ineligible for post-season bowl games.

"We don't think we violated the NCAA code and we've been trying to play it real straight," Wyoming head football coach Bob Devaney said in Laramie, Wyo., Wednesday after the policy-directing body of the powerful NCAA handed down its decision.

Devaney said he plans to appeal the ruling, which would knock his team out of a trip to the Sun Bowl game.

And in Bozeman, Mont., the Council of Deans at Montana State College unanimously agreed to appeal for a review of another NCAA ruling placing that school on a two-year probation.

The college is host to the NCAA-sponsored ski meet in March. The action means that it cannot participate. The deans said they would appeal particularly the severity of the penalty.

Both schools were penalized for violations of the NCAA rules on recruiting and financial aid to athletes.

Wyoming currently leads the Skyline Conference football race, and was considered a prime candidate for a spot in the Sun Bowl game at El Paso, Tex., if it won the title. The NCAA action spoiled that.

The council, which concluded its regular fall meeting Wednesday, earlier had handed out probation sentences to Arizona State University at Tempe and the University of Mississippi. They also were punished for recruiting and financial aid violations.

Gambling On Sophomores Paying Off For Daugherty

EAST LANSING, Mich. (AP)—Gambling on sophomores has started to pay off for Coach Duffy Daugherty, whose Michigan State squad clashes with Ohio State at Columbus Saturday.

After an uncertain start, the Spartans now look as if they have jelled into a football team.

A win over Michigan was sandwiched between losses to Texas A & M and Iowa. Then State beat Notre Dame 19-0 and Indiana 14-6.

Gary Ballman, starter at right half, finally came into his own against the Hoosiers. Ballman scored once on a 20-yard pass play from quarterback Dean Look and again on a 25-yard bolt.

The East Detroit sophomore was working, too, with his broken finger in a cast.

"It looks like we might be getting consistent," said Daugherty. "We've been playing our sophomores a lot and they are more than half way to becoming juniors now."

Look, bothered by a shoulder sprain, didn't get a starting call until the Notre Dame game.

Look refused a $50,000 baseball bonus offer to play football this fall. A former halfback, he's been a fair to good passer and a constant threat as a ball-carrier on the option.

Herb Adderley, junior left half, has been a steady performer.

Fullback Blanche Martin has been slowed the last two weeks by leg and rib bruises but still made 35 yards in six carries against the Hoosiers.

Daugherty uses complete offensive and defensive teams whenever possible. The defense, led by Larry Cundiff, 228-pound center, earned honors against both Notre Dame and Indiana.

Notre Dame couldn't drive across in four downs from the two-yard line and Indiana was held after a first down on the four.

Michigan State, with a 2-1 conference record, needs this one to stay alive in the title race.

Daugherty has warned his players they could be running into an ambush.

"Look what Ohio State did to Purdue," he said.

History is on the side of Michigan State, however. The Spartans have won all three previous games in the series, all at Columbus.

The then Michigan Agricultural College did it 35-20 in 1912 and teams coached by Biggie Munn, now athletic director, won 24-20 in 1951 and 28-13 in 1953.

"I'll give us an even chance of winning this one," said daugherty.

Forest Hills Woman Leads Seniors Golf

PINEHURST, N.C. (AP)—Mrs. R. M. Torgerson of Forest Hills, N.Y., carries a one-stroke lead into today's final 18-hole round of the North and South Senior Golf Tournament.

Mrs. Torgerson had a 37-42—79 Wednesday, a stroke better than Mrs. Charles Bartholomew of Brookline, Mass. She had a 40-40—80.

Mrs. Torgerson who has won the New York State amateur championship five times one-putted the first five greens. She needed only 12 putts on the front nine.

NCAA Studies Rule To Limit Aliens In U.S.

BOSTON (AP) — The NCAA, governing body for collegiate athletics, will be presented with a recommended amendment aimed at regulating play of alien athletes when the group meets in its annual convention in New York Jan. 6-8.

The amendment was approved Wednesday by the NCAA Council, the group's policy-directing body, in a move that Executive Director Walter Byers said was "designed to regulate the older boys coming over here to compete against younger boys."

The amendment would limit the number of semesters alien athletes could compete, place age limits on such players, and impose residency requirements before such athletes would be eligible to participate in national championship competition.

Homecoming, Dad's Night Set At Wellsville Game

The Wellsville Tigers, along with two other Columbiana County teams, will get the ball rolling tonight to open a 15-game schedule this week for district gridders.

Homecoming and "Dad's Night" will be celebrated at Nicholson Stadium, where Wellsville will entertain winless Jefferson Union. Kickoff is set for 8 p. m.

Elsewhere in the county Boardman visits Salem and Columbiana plays host to Springfield Local.

Coach Ken Woods will send his Tigers after their fourth win in seven games and at the same time Wellsville will attempt to get back on the victory trail after suffering a 50-0 defeat to Salem last week.

Jefferson Union brings a team which has lost six straight contests and has only scored 52 points in six games while allowing their opponents 164.

Dads of the Wellsville players will be introduced before the game.

Homecoming ceremonies will take place at halftime sponsored by the Key Club when one of six senior girls — picked by a vote from the student body will be crowned queen by Miss Becky Gatho, senior class president.

The six candidates are Mary Amato, Sondra Culp, Faye Ricci, Sylvia Siudak, Nancy Talbot and Diane Wilk.

Co-captains Bob Brown and Jim Stevens will pass out flowers during the ceremonies.

A seventh-eighth grade game between Toronto and Wellsville will be held tonight at 6.

Wings' Coach Eyes Playoff

NEW YORK (AP)—Coach Sid Abel of the Detroit Red Wings, the surprise team of the National Hockey League, still is sitting on Cloud Nine today. But he's not shooting for the moon.

"I'll settle for a playoff spot right now," he said. This despite the fact that his Red Wings are in second place, trailing the pacesetting Montreal Canadians by four points. The Wings also have played three less games than the defending champions.

"After finishing in the cellar last season we just had to make some changes," Abel said, "and it looks as though they have paid off. Montreal is still the class of this league, but we'll call it a successful year if we finish among the first four."

Despite their 5-1-2 record, the Wings' may be headed for trouble. They stumbled a bit Wednesday night, dissipating a 3-0 lead to the New York Rangers who rallied to gain a 3-3 tie in Madison Square Garden.

Worse than that, Terry Sawchuk, the Wings' star goalie, aggravated a leg injury received in Sunday's game against the Canadians. Sawchuk has been an early season sensation, permitting only 10 goals in eight games.

In last night's other NHL game, the Canadians extended their unbeaten streak to six by playing a 1-1 tie with Toronto. Maurice Richard scored for Montreal in the first period and Dickie Duff evened matters for the Leafs in the third.

East Junior High Gains 38-0 Win

East Junior High turned up its offense and rolled to a 38-0 victory over Salem Wednesday at the Quakers home field.

Building a 14-0 lead at halftime, Dom Cascio's Panthers scored three more times in the second half.

Tom Kraft led the charge with two touchdowns. He went over from the 4-yard line both times.

Jim Sparks scored from 5 yards out, Roger Linville tallied one on a 4-yard jaunt and Bob Mercer banged over from the 1-yard line.

Sparks added one extra point while Kraft ran twice for extra points and grabbed a pass for a two-point conversion.

The victory was the second in five starts for East Junior High.

Huron Back Cracks NIAA Scoring Record

KANSAS CITY (AP) — Garney Henley, a 175-pound halfback for undefeated Huron (S.D.) College, has set a career scoring record for National Intercollegiate Athletic Assn. schools and he still has three games to play.

Henley scored 33 points — half of his team's total — last Saturday to run his career total to 363 points. That's two better than the NAIA record set in 1946-49 by Frank Younger with Grambling (La.) College.

Henley leads NAIA scorers for the season with 110 points but he is 25th among rushers with 647 yards on 71 carries.

Uclan Star Center 50-Minute Iron Man

LOS ANGELES (AP) — There probably aren't any 60-minute men left in football. But UCLA may have come about as close as anybody. It has a 50 1-8-minute man.

He's Harry Baldwin, a 198-pound junior center who has played 200½ of a possible 240 minutes in the Bruins' first four games.

Billion In Building

NEW YORK (AP)—New York City's building construction this year will total more than a billion dollars, according to Peter J. Reidy, buildings commissioner. In 1958, building construction totaled 982 million dollars.

Parkersburg, Mullens, Winfield Lead In Poll

BECKLEY (AP) — Well, it's official now. Parkersburg, Mullens and Winfield are leading the state high school football pack in the respective races for Class AAA, AA and A championships.

That's the word from W. R. Fugitt, executive secretary of the West Virginia Secondary School Activities Commission.

Here are the ratings based on games played through last Monday:

Class AAA—Parkersburg, 14.43; Bluefield, 13.14; Stonewall Jackson 11.14; Moundsville, 10.78; Clarksburg Victory, 10.58; Clarksburg Washington Irving, 10.57; Charleston, 10.29; Elkins and Logan, both 9.93, and Barboursville, 9.28.

Class AA—Mullens, 12.25; Point Pleasant, 11.90; Keyser and Sissonville, 11.50; Charles Town, 10.25; Mount Hope, 10.21; Monongah, 9.66; Williamson, 9.25; Follansbee, 9.06; Hinton, 8.87.

Class A—Winfield, 10.25; Ravenswood, 10.21; Masontown Valley, 9.28; Paden City, 9.01; Rainelle, 8.91; Moorefield, 8.58; White Sulphur Springs, 8.57; Barrackville, 8.16, and West Virginia School for Deaf, 7.25.

Fugitt, in releasing the first full official rating report of the season, threw some cold water on any championship hopes of teams rated pretty far down in the lists of the top 10 in each division.

Unless the leaders lose, Fugitt said, these teams have very little chance of getting into the playoffs.

For schools as much as a full point behind the leader, the difference is equal to six games won by defeated opponents, he explained.

Because of the late schedules, the playoff games probably will not be held until the latter part of November. The one possibly exception is the Class A title tilt which may be held as early as Nov. 14 because contending schools finish their season ahead of the others.

The Class AAA championship playoff probably will not be staged before Nov. 20, Fugitt said.

The AA playoff is being lined up for Thanksgiving Day, Nov. 26, or thereabouts.

Fugitt once again urged contending schools to see to it that results of games played by defeated opponents be forwarded to his office.

Wilt's Challenge For Top Rookie Seen In Howell

By The Associated Press

If anyone is going to challenge Philadelphia's Wilt Chamberlain for the rookie-of-the-year laurels in the National Basketball Assn., it looks like Bailey Howell.

Howell, former All-America at Mississippi State, has popped in 53 points in three games for a 17.7 average. Wednesday night, he scored 22 to lead the Detroit Pistons to a 117-102 victory over the Syracuse Nationals.

The Pistons trailed by four at halftime, but rallied for seven straight points early in the third quarter to put it away. Hal Greer was high for Syracuse with 22 points.

The triumph was Detroit's second in three games. Syracuse is winless in two.

New York's Baseball Writers Plan Dinner

NEW YORK (AP)—The New York chapter of the Baseball Writers' Assn. of America will hold its annual dinner Sunday, Jan. 31, 1960.

The membership re-elected Barney Kremenko, Journal American, president; Dick Young, News, vice-president; and Sid Gray, Herald-Tribune, secretary-treasurer.

Joe Reichler, Associated Press, was named to the board of directors, joining Dan Daniel, World-Telegram and Sun; Ken Smith, Mirror, and Joe Trimble, News.

6,600 Ships Expected

MASSENA, N. Y. (AP)—An estimated 6,600 ships will pass through the U. S. locks of the St. Lawrence Seaway before the waterway closes for the winter Nov. 30, officials estimate. To now, 5,650 ships have cleared the locks.

Cincy U.'s Kovac Leads In Scoring

NEW YORK (AP) — Scoring three touchdowns last Saturday for the second week in a row, Cincinnati's Ed Kovac has climbed to the top of the list of the nation's football scorers, displacing Pervis Atkins of New Mexico State.

Kovac has scored 10 touchdowns for 60 points to Atkins' nine touchdowns and one extra point for 55, according to statistics released today by the NCAA Service Bureau.

Stanford's Chris Burford continued his season-long domination of the pass receivers. Last week, he caught five passes to bring his total to 31 and increase his lead over Army's Bill Carpenter to three. Gail Cogdill of Washington State has caught only 22 tosses but is the yardage leader with 397.

Paul Maguire of the Citadel caught two touchdown passes Saturday for a total of six to lead in that department.

Rochester's James IL's Rookie Of Year

MONTREAL (AP) — Outfielder Charley James of Rochester, a .300 batter with a rifle arm, today was named the rookie-of-the-year in the International League for 1959.

James edged Bill Short of Richmond, receiving nine votes to eight for the left-handed pitcher. Short won 17 games for the Virginians the past season. James, former University of Missouri football star, had 18 homers and 79 runs batted in.

Crowd Roars In Baltimore

CLEVELAND (AP)—When the Colts play in Baltimore they always get a big assist from the fans, says Bill Howton, Cleveland Browns end.

"It's the noisiest place I've ever played in," Howton said. Sunday's game is the Browns' first in Baltimore, but Howton played there regularly in his seven seasons with the Green Bay Packers.

Says Howton:

"The Colts do a lot of jumping around on defense and many teams would like to switch plays at the line. You can't hear well enough to do it in the uproar.

"Officials can't quiet the crowd."

With the Colts on offense, Howton added, the situation is different:

"Johnny Unitas is the only fellow who can get cooperation and that doesn't help the visitors."

Quarterback Unitas, with a wave of his hand, usually can get the yelling partisans to quiet down.

The Browns hope they have discovered one weakness in the Baltimore defense—the long pass down the middle, a specialty of Cleveland's flanker back, Ray Renfro.

Green Bay lost to the Colts, but completed 15 passes good for 209 yards and two touchdowns. One Green Bay pass down the middle went for an 81-yard scoring play.

Asked about the ability of Green Bay to hit on the long passes, Baltimore coach Weeb Eubank replied:

"You can't stop them all."

Barons' Goalie Mayer Has Broken Jaw Set

CLEVELAND (AP) — Cleveland Barons' goalie Gil Mayer has a broken jaw set at Lakewood Hospital today, and it may be three weeks or more before he can return to the American Hockey League wars.

A hard slap shot that Mayer didn't see struck him in the jaw in practice at the arena Wednesday, opening a gash that required four stitches.

While he is sidelined the Barons will use 25-year-old Don Rigazio, a native of Cambridge, Mass. Rigazio was with the 1956 U. S. Olympic team and last year led the International Hockey League in shutouts with seven for Louisville.

Iowa Is First On Paper, Last In Standings

CHICAGO (AP) — If statistics showed on the scoreboard, Iowa would be a cinch for the Big Ten football title.

The Hawkeyes continued as paper champions this week, dominating the official conference individual statistics. Iowa shares last place in Big Ten standings with 1-3.

Bob Jeter is tops in rushing with 304 net yards in 45 carries for a 6.8 average. Northwestern's Ray Purdin is next with 169 in 29 trips for 5.8.

Olen Treadway, another Hawkeye, is the No. 1 passer with 56 hits in 95 shots for 585 yards and three touchdowns. Indiana's John Henry Jackson is No. 2 with 14-27 for 283 and three TD's.

Treadway also holds the total offense leadership. He has a minus 24 yards trying to run, leaving him a total of 561 and 5.3 a play.

Jackson again is second, adding 55 yards on the ground to his passing gains for 338. His average a play of 6.9 is topped only by Northwestern's John Talley, who has a remarkable 9.3 on total yardage of 242 in 26 rushing and passing plays.

End Don Norton of Iowa leads in pass receiving with 20 catches for 244 yards and three touchdowns, and in conference scoring with 26 points. Another Hawkeye end, Jeff Langston, is second in receivig with 11 catches for 139 yards.

Team leaders include: Rushing —Purdue, 192 average; passing—Iowa, 154; yards per play—Northwestern, 4.90.

Cepeda Rated Sophomore Of Year In Loop

SAN JUAN, P.A. (AP)—Orlando Cepeda, National League Rookie of the Year in 1958 and its Sophomore of the Year in 1959, has already set one goal for 1960.

"I want to become a first class outfielder," he said today. "If I am going to play that position, I am going to try to make good. I do not want to become a player carried by a ball club just for his hitting."

The San Francisco Giants' slugger Wednesday was named the leading sophomore in the annual Associated Press poll. He drew 86 of the 172 votes cast by members of the Baseball Writers Assn. of America. Vada Pinson of Cincinnati was next with 66 votes.

Cepeda was shifted from first base to the outfield last August when Willie McCovey was brought up from the Pacific Coast League.

He batted .317 with 27 homers and 105 runs batted in with the Giants the past season. This was an improvement over his rookie campaign when he hit .312 and had 25 homers and 96 RBIs.

Anderson May Be Big Difference On Saturday

WEST POINT, N.Y. (AP) — Army halfback Bob Anderson, who drew raves during his first two seasons but hardly a whisper this year, may turn out to be the big difference Saturday against the Air Force—and the Air Force may have itself to blame.

The reason? A cartoon earlier this year in an Air Force publication depicted the Army foot soldier as a bedraggled figure in comparison with the sleek space cadet in the Air Force of the future.

Anderson, whose brother is an Air Force jet pilot in Germany, saw the cartoon and fired a salvo at the Air Force football team.

"We're going to clean their clocks," he said. "They made us mad and we want to beat them almost more than we want to beat Navy."

Anderson is the lad that could do it. As a soph in 1957, he was a sensation. Last year, playing alongside All America Pete Dawkins, he helped the Cadets to an 8-0-1 record and the Lambert Trophy. Everyone figured this was his year.

But in the second game, against Illinois, he severely injured a knee cartilage early in the game, which Army lost 20-14. He missed the Penn State game, also lost by Army 17-11.

Coach Dale Hall sees Anderson in a two-pronged role against the Air Force. Since his running is hampered by his inability to cut and slant sharply, he has proved his worth as a passer on the pass-run option play.

Last week he completed four, and has five of eight for the season for 64 yards.

The argument continues Saturday before 72,000 in New York's Yankee Stadium.

Cuban Jockey Eyes 'Big Double' Saturday

CAMDEN, N. J. (AP) —Manuel Naciniento Gonzalez, a 39-year-old jockey who has known the ups and downs of racing, hopes to complete a big double Saturday in the rich Garden State Stakes.

The Cuban could become the second jockey to win both the Gardenia and Garden State stakes in the same year. Only Willie Hartack has turned the trick thus far.

In 1957, Hartack won the Gardenia for 2-year-old fillies aboard Idun, and the Garden State for juveniles of either sex with Nadir.

Lane Battles To Decision

WASHINGTON (AP) — Kenny Lane's gory and rumpus-raising decision over former welterweight champion Virgil Akins made him a threat in three divisions today.

With blood streaming over both fighters at the finish, Lane won a split decision in a nationally televised 10-rounder at Capitol Arena Wednesday in his welterweight debut.

The triumph before a yelling, whistling crowd stamped Lane, the Muskegon, Mich., southpaw, as a creditable prospect in the 147-pound division. He is still ranked second behind Carlos Ortiz among contenders for Joe Brown's lightweight crown and is as good a bidder as any for the junior welter title held by Ortiz.

For a moment Lane appeared doomed to a third round technical knockout after Akins jabbed open a cut over Kenny's right eye.

As blood gushed from the wound, referee Ray Bowen called in ring physician David Gordon to check Lane's eye. With Gordon came Kearns and his aides, who patched the injury as the doctor examined it.

Rival manager Bernie Glickman and his contingent then stormed the ring for an arm-waving ruckus with Kearns, Gordon and Bowen. They howled that Gordon had stopped the fight but changed his mind.

Lane said the physician had indicated the match was over but finally concluded it should continue for a while, at least. That saved Lane, who in the sixth slashed a gory cut near Akins' left eye.

Ankle Injuries Hobble Bucks' Top Tackles

COLUMBUS, Ohio (AP)—Both Ohio State first-string tackles are hobbling with ankle injuries.

Dick Michael may be ready for action Saturday against Michigan State here but it is not known whether he can take sustained play.

Jim Tyrer is wearing weights on an ankle injured Wednesday. It's questionable whether he'll meet the Spartans.

Meanwhile, fullback Bob White's shoulder began paining him again Wednesday. He may play little or none this week.

Legion Post Pushes Plans

Officials Due In Midland At County Parade Nov. 11

Guests at a Beaver County Veterans Day parade Nov. 11 at Midland will include Rep. Frank M. Clark of the 25th Pennsylvania Congressional District, Judges Robert McCreary and Frank Reed and District Atty. Richard P. Steward.

Plans for events for the observance were reported nearly completed at a meeting of a committee of Midland American Legion Post 481 Wednesday evening.

John Fantone, parade marshal, said the units will assemble at 9:30 a. m., at the west end of Midland at 1st St. School and move at 10:30 a. m. The parade will travel east on Midland Ave. to 11th St., and turn left to Beaver Ave. and the disbanding area. The reviewing stand will be at 8th St. and Midland Ave.

A siren will sound at 11 a. m. and the parade will halt and buglers will sound taps. Immediately afterwards, all bands will play the "Star Spangled Banner." Then the parade will then continue on to the dispersal area.

He expects some 1,000 adults and children to participate in the parade and more units are expected. Lined up so far are seven bands, including the high school bands of Midland, Beaver Falls, Northwestern of Darlington, Rochester, Freedom and New Brighton and the professional Monaca Coronet Band.

Other units include the drum and bugle corps of the Red Devils of the Rochester Legion Post, the George Junior Republic drill team of the Grove City Legion School for youth, the 28th Signal Battalian of the National Guard in New Brighton, the drill squad of VFW Post 128 of Rochester, the auxiliary drill team of the BPOE of Rochester, six Girl Scout troops including those of Midland, one Boy Scout troop, and two Cub Packs, one of which is 415 of Midland.

There will also be marching units of seven Legion posts and one World War I group, Legion officers, gold star mothers, guests, and borough and school officials.

Following the parade, those who participated will be fed at several places to be announced yet. The gold star mothers' banquet will be held at 1 p. m. at the Midland Steelworkers Hall.

Plans for the banquet are being made under Mrs. Audrey Coble, president of the post auxiliary. Truman Rodfong, post adjutant and director of Beaver County Veteran affairs, will be the toastmaster. The Rev. Ray A. McCreight, pastor of the Four - Mile United Presbyterian Church, will be main speaker. Entertainment will include Mr. and Mrs. James Whittle of New Brighton, guitarists and vocalists.

Other events in the observance begin with the kickoff and the 40 & 8 parade Saturday, Nov. 7, at 7:30 p. m. "Fun Night" will be held. A concert by the Patterson Township Band will be held earlier in the evening at 8th St. in front of the Legion home.

Memorial services will be held Sunday, Nov. 8, at 8 p. m. in the Midland High School Auditorium. Plans are not complete. Churches have been requested to omit their evening services so congregations may attend the special services.

The past commanders' banquet, with present commanders eligible to attend, will be held Monday, Nov. 9, at 7 p. m. at Larry's Cafe. State and district Legion officers will speak. Donald E. Roach will be toastmaster.

Lester Trainer Jr. is lining up cars and drivers for parade guests and is in charge of enlisting police and volunteer firemen to direct traffic.

Harry Hulton, general chairman, presided. The committee meets each Wednesday. Next regular post meeting will be Tuesday. John Reider is commander.

'SNOW WHITE' CAST. Linda Baumgarner as Snow White, center, is flanked by some of the cast of the Beaver Local High School Masquers Club which is presenting an adaptation of the famous fairy tale Saturday afternoon at 2 at the Westgate School. Left to right at top are Vicky Windle, Miss Baumgarner, Tom Taylor and Debbie Ashbaugh. At her feet are two of the dwarfs, Steve Rayburn, left, and Wallace Watson. About 400 attended the play at the high school Wednesday. A public performance is slated Nov. 18 at the Beaver Local High School.

Church Class At Hookstown Holds Halloween Social Event

The Helping Hands Class of the Hookstown Presbyterian Church held a Halloween social Friday evening in the social rooms.

Some 16 attended and games were played. Lunch was served by Mrs. Gregg McElhaney and Mrs. Lawrence Searight, sponsors.

The Junior High Sunday School Classes of the church, taught by William McGaffic and Mrs. Thomas Wright, was entertained with a Halloween party Friday at the home of Mr. and Mrs. McGaffic. Games were led by McGaffic and lunch was served 14 by the hostess.

The Junior Christians of the church elected new officers at Halloween party Saturday in the social rooms.

They are Susan Welch, president; Janice Hall, vice president; Evelyn Soisson, secretary, and Lois Ann Swearingen, treasurer.

Prizes for costumes were won by Susan Welch, Janice Hall, William McElhaney, Sandra Doak, and Walter Searight. Game prizes were won by Sandra Leeper, Barbara Barrett, Ray Swearingen, Evelyn Soisson and Danny Hartzell.

Some 55 members and 6 adults attended the Juvenile Grange Halloween party Tuesday evening at the Hookstown Grange Hall. Mrs. Willard Fox, retiring matron, was presented a gift.

Costume prizes were awarded Linda Hartzell, Alda Swearingen, Sally Graham and Lisa Graham. Luncy was served by the Juvenile members. Next meeting will be Nov. 5.

Mrs. Lizzie McElhaney of Aliquippa is visiting her son and daughter-in-law, Mr. and Mrs. Gregg McElhaney. Mrs. Edward Moore of La Jolla, Calif., was a visitor Friday.

William Wright of Mesa, Ariz., has returned after visiting relatives here. He was accompanied home by his mother, Mrs. Elva Wright, and aunt, Mrs. Mabel Reed, who will spend the winter there.

Was Division Superintendent

Eugene March Named Crucible Plant Assistant

Eugene A. March has been appointed assistant works manager of the Crucible Steel Co.'s Midland plant. His vacated position as division superintendent of technical services will be filled by Guy F. McCracken, chief control metallurgist at Midland, the company said.

March joined Crucible in 1946 as metallurgist - mill control at the company's Sanderson-Halcomb Works in Syracuse. He became foreman of the rolling mill in 1948 and in 1950 he was appointed metallurgist-melting department. He was named general supervisor of metallurgical control in 1952, chief works metallurgist in 1953 and assistant works manager in 1957. A year later he was transferred to the Midland Works as division superintendent of technical services.

EUGENE MARCH
Succeeded By G. F. McCracken.

A native of Winamac, Ind., March was graduated from Massachusetts Institute of Technology in 1941 with a bachelor of science degree in metallurgy. He is a veteran of World War II and a member of the Association of Iron and Steel Engineers, American Society for Metals, American Iron and Steel Institute, American Ordnance Association, and American Management Association.

Mr. and Mrs. March and their son and daughter live in Laurel Estates in Beaver.

McCracken has been with Crucible since 1949 when he was appointed metallurgist at the company's Sanderson-Halcomb Works. He became supervisor of mill test control in 1952, contact metallurgist in 1954 and general supervisor of metallurgical control in 1956. He was transferred to Midland last January as chief control metallurgist.

Born in Pittsburgh, McCracken attended Penn State University and in 1949 received a bachelor of science degree in metallurgical engineering. He is a veteran of World War II and a member of the American Society for Metals.

Mr. and Mrs. McCracken and their two daughters live in Glenfield Farms in Beaver.

Township East Firemen Sign 10 Members, Set Fire School

Ten new members were accepted and plans outlined for a preliminary fire school at a meeting Wednesday night at the Liverpool Township East volunteer fire department at Dixonville.

Received as second class firemen were Donald Mick, William Cornman, James White, Robert Taylor, Ray Smith and Richard Manning, all of Dixonville, Charles Adams of Maplewood and Virgil Reynolds of Ruth St. Roy Flint and Frank Cornman were accepted as social members.

A fire school for the men will begin next Thursday. It will be a joint school with the West department and is being financed by the township through a tax levy.

The course is provided by the Trades and Industrial Division of Ohio State University at Columbus. Robert Lloyd of Wellsville, assistant chief, will be the instructor.

The 30-hour course will be held for 3 hours each Thursday night beginning at 7. The classes will alternate weekly between the Dixonville and LaCroft stations. The men will graduate as first class firemen if they pass the 10-week course.

In other business, it was announced the auxiliary will continue holding teenage dances on Friday nights from 8 to 11:30 at the station. A police constable will be hired by the women to chaperone the dances. The dances will be held only on the irst three Fridays of each month.

The firemen voted to hold a Christmas party for the children. Robert Badger was named chairman. The department will be host for the Tri-State Firemen's Association meeting Tuesday, Nov. 24. Richard Lamp was named chairman.

Paul Cuningham, president, conducted business. Twenty-seven were present. The next meeting will be Nov. 17.

High School Principals Convene In Salineville

LISBON — Columbiana County high school principals met at the home of Mrs. Marilyn Solak, county high school consultant, Wednesday evening in Salineville.

Subjects considered were school policies regarding excused absentees, senior spring activities, high school testing program and new selection service registration plan within each school.

Junior and senior examinations and College Entrance Board examination tests were also discussed.

Lunch was served by the hostess.

Bill Bruton hit .421 in seven World Series games for Milwaukee's Braves in 1958. The previous year, Milwaukee's Hank Aaron led the series hitters with .393.

Appeals Court Upholds Reversal In County Case

LISBON — Reversal of a $16,400 traffic suit verdict in Common Pleas Court was upheld this week by the 7th District Court of Appeals which ordered a new trial.

Kenneth Wilson of Warren had been awarded the sum as a result of a suit filed against the Buckeye Coal Co. of Lisbon and Jack S. Watson, 24, of Lisbon R. D. 1. The suit stemmed from a crash between the firm's truck, driven by Watson, and Wilson's car on Route 30 south of here in 1956.

The appellate court reversed the verdict in April and ordered a new trial, but granted another hearing from which a similar order was issued this week.

Reserves of bituminous coal in the United States have been estimated at two trillion tons, enough to last 2,000 years at the current rate of recovery.

City Man Addresses Kaycees At Wellsville

Charles McBride of East Liverpool, district Columbiana Squires representative, was guest speaker at a meeting of Wellsville Knights of Columbus Council 507 Tuesday night.

He spoke on the reactivating the Wellsville unit of Catholic youths and outlined the procedures. The rosary was recited at the opening. James Ross was presented a past grand knight's pin.

Members were reminded the second phase of the state youth campaign is nearing the end. George Prokop, grand knight, presided.

Lions Official Visits Lisbon's Service Club

LISBON — About 55 members of the Lions Club and their wives attended a coverdish supper at the club cottage Wednesday night when William Archibald of Massillon, district Lions governor, made his official visit.

Archibald spoke on the organization and growth of the service club founded 42 years ago. William Hiscox, club president, was in charge.

Nurses Hear Physician

LISBON — Dr. H. Lee Bookwalter of Columbiana spoke on prevention and treatment of cancer when 15 members of the County School and Health Nurses Association met Wednesday at the County Public Health League office. Mrs. Violet Peterson, county health nurse, is president. The next meeting will be Nov. 25, in the County Health Department office.

Imperial Area Man Gains Brief Freedom

A 26-year-old Washington County man was the object of an hour and a half police search Wednesday night through the streets of Washington, Pa.

Police reported that Henry Weigner of Imperial R. D. 1 — in police custody with two others on charges of burglary and larceny — broke away from his captors while being transferred back to prison after a preliminary hearing.

Police searched for 90 minutes before finally recapturing Weigner.

Weigner, his brother, Olen, 19, of Morgan, and John Cukrzynski, 22, of Avella were arrested Monday on charges of pulling off some 25 burglaries in Washington and Allegheny Counties.

Bidding Slated Nov. 12 On Thompson Park Job

The Board of Park Commissioners of Thompson Park is scheduled to open bids at noon Thursday, Nov. 12, in the office of Mayor Fred P. Lawrence for construction of two tennis courts and a shuffleboard court.

Council enacted legislation at a special session last Friday clearing the way for the project, which will be financed out of park gas well royalties, interest on the Thompson Fund and donations to a special tennis court fund. The courts will be built on the park's main level, just west of the upper pavilion.

Construction is scheduled to begin before winter weather interferes, in order that the courts will be ready for use next season.

Three new co-operators were approved, Charles K. Coleman of East Liverpool, 372 acres in St. Clair Township; Matthew Serafy of East Liverpool R. D. 1, 63 acres in Madison Township, and Carl Lehwald of Salem, 90 acres in Knox Township.

The next meeting will be held Nov. 24 at the soil conservation office here.

City Launches Project To Relocate Water Line

The distribution crew of the city water department has opened preliminary work on relocation of 846 feet of a 12-inch water main along the Pennsylvania Ave. "Hill Rd." at a point where the existing main has been damaged on may occasions by gradual earth slides.

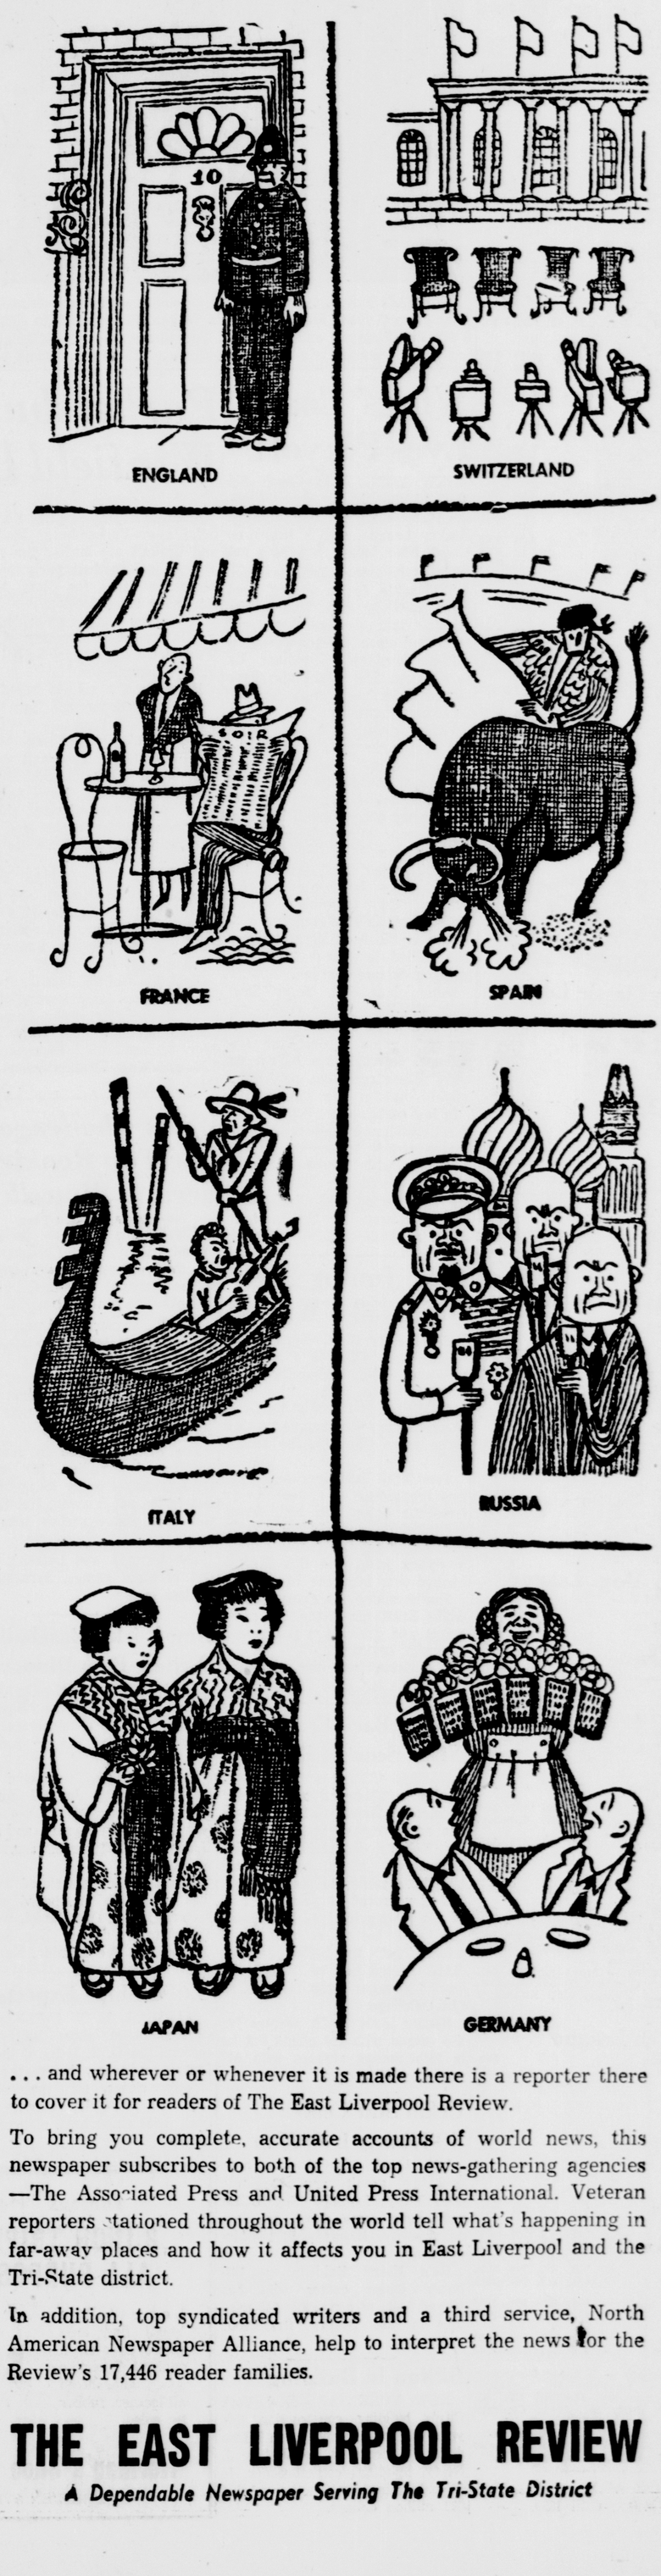

The line will be laid in a new trench a short distance from the existing main in hopes further slide damage will be avoided. The blacktop roadway at the same site also has been damaged repeatedly by slides. Council appropriated $8,000 from water department funds about two months ago to finance purchase of pipe for the project.

City Motorist Fined On Citation By Patrol

Ralph Turner, 52, of Oliver St. was fined $5 and costs for failure to halt in the assured clear distance at a hearing Wednesday before Mayor Donald Day of Wintersville.

Turner was arrested Sunday afternoon on Route 22 west of Bloomingdale after his car struck the rear of another driven by Frederick L. Baker, 35, of New Jersey, according to the Wintersville State Highway Patrol. Baker had crashed into the rear of a third car which was halted.

New Benefits For Jobless

This is the fourth of a series of articles, prepared for The Review by the Ohio Bureau of Unemployment Compensation (BUC), outlining the principal changes in Ohio's Unemployment Compensation Law.

One of the basic requirements of the Ohio law least understood by the average claimant is that he must report all earnings in the previous week when he reports to file a claim. Earnings belong to the week in which the work is performed and not to the week in which the claimant is paid by the employer.

A claimant who goes back to work and earns wages equal to his weekly benefit amount is not entitled to benefits for that week whether he is paid that week or in a later week.

Q. What if I have earnings for part-time work? Can I still receive unemployment benefits for that week?

A. If you earn less than your weekly benefit amount, the answer is yes, although the benefit you receive will be less. The law provides that you may earn up to 20 per cent of your weekly benefit before any deduction is made from your benefit check.

Example: John Doe has a weekly benefit of $40. He may earn up to 20 per cent of this amount or $8 before a deduction is made. When he reports earnings of $15 in a given week, the bureau disregards the first $8 and deducts only the balance of $7 from his benefit check, giving him a net payment of $33.

Q. Do you deduct Social Security payments?

A. The answer is no. Payments made to the individual under the Old Age and Survivors' Insurance program (Social Security), private retirement or military service pensions, or National Guard or Reserve Training pay, are not deducted.

On the contrary, holiday pay, pay for actual vacation, Workmen's Compensation, or remuneration in lieu of notice, will be deducted.

If you are in doubt as to whether any income you receive is deductible, report it when filing a claim. The bureau will tell you if it is deductible.

Aluminum Firm And USW Extend Pact Indefinitely

PITTSBURGH, Pa. (AP)—The Aluminum Co. of America and the United Steelworkers have agreed to extend their contract indefinitely, it was learned by The Associated Press.

It was also learned Wednesday night that the USW is considering plans to extend contracts with the Kaiser Aluminum and Reynolds Metals companies similar to the agreement with Alcoa.

The USW reportedly has decided to extend the contract with Alcoa indefinitely with a provision that any contract signed will be retroactive to Aug. 1. Neither Alcoa nor USW officials would comment on the disclosure.

Alcoa's contract with the steelworkers expired last July 31. At that time, both sides agreed to extend the contract to Nov. 1 or 30 days after the end of the basic steel strike, whichever came first.

Small Firms Win First U.S. Pact Of Its Type

ALBUQUERQUE N.M. (AP) — A federal official says a group of small firms incorporated under the Small Business Administration has won the first federal contract of a type which a large firm usually gets.

The Albuquerque companies are Applied Research Associates Inc., Bandelier Films Inc., Machine Engineering Corp. and Ward Anderson Printing Co. They have a $1,250,000 Air Force contract to write and print secret Air Force manuals on operation of aircraft and special weapons systems.

Ohio View Club Arranges Dinner

Mrs. Ed Stevens, president, conducted business at the monthly meeting of the Executive Board of the Ohio View Woman's Club Tuesday night in the home of Mrs. Robert Kelker. Mrs. Harrell Bomar assisted Mrs. Kelker in serving.

Mrs. A. V. Hays, hostess chairman, announced completion of plans for a coverdish dinner to be held at the regular meeting Monday at 6:30 p. m. The plans were made at a hostess committee meeting held in Mrs. Hays' home Monday night.

Mrs. John Parsons, program chairman, announced that a surprise program is being planned. Mrs. Hays will be the general hostess chairman, assisted by the monthly hostess committee.

Mrs. Bomar, legislative chairman, urged members to vote in the coming election.

Club meetings are held in Fellowship Hall of the Ohio View Lutheran Church.

Bing Crosby's Wife Cited In $50,000 Suit

LOS ANGELES (AP) — Bing Crosby's wife, actress Kathy Grant, is accused of negligent driving in a $50,000 damage suit filed by a retired businessman.

Herman S. Magad, 60, charges in a Superior Court action brought Wednesday that Miss Grant's auto struck a car in which he was riding last Nov. 12 in Hollywood. Magad said he suffered a neck injury and a cut on his chin. Crosby Enterprises, Inc., is named codefendant.

Ohio Health Head Given New Term

COLUMBUS, Ohio (AP) — Dr. Ralph E. Dwork has been reappointed director of the State Health Department for a five-year term, Gov. Michael V. DiSalle announced Wednesday. Dwork has been with the department since 1950, director since 1954.

His salary beginning Nov. 8 will be $18,000 a year, the new pay set this year by the Legislature. His present salary is $12,000.

In other appointments, Gov. DiSalle filled out the reorganized Racing Commission.

He reappointed Jim White of Toledo, Harry Hoffheimer of Cincinnati and Garret S. Claypool of Chillicothe.

New appointees are James V. (Tom) Sawyer of Akron and John Elder of Cleveland.

All will receive salaries of $2,500 a year.

Councilman Confers On Highway Remedies

Wellsville Councilman Robert Taggart said today he met with a State Highway Department official in Columbus Monday to discuss the "hazardous" intersection of Routes 213 and 7 below Yellow Creek.

Taggart said he discussed the situation with Guy E. Neeper, deputy director of planning and programming. Although nothing definite was promised, Neeper said the state is considering various ways to correct the intersection, Taggart said.

Taggart was in Columbus visiting relatives. The possibility of erecting an overpass at the site cropped up during the conversation. Taggart said he also was informed that the relocation of Route 7 through Wellsville is planned for 1963.

The city's share of this project has been reported at $400,000. Taggart reported Neeper said state participation laws would have to be changed by the legislature before the department could cut the city's share of the cost.

Cumberland PTA Sets Observance

NEW CUMBERLAND — Plans for observance of American Education Week Nov. 8-14 were outlined at a meeting of the Parent-Teacher Association Executive Board and room representatives Wednesday night.

Curtis Smith, principal, aided in formulating the plans. Open house will be observed at the school the entire week. Hostesses will be present to guide parents to the rooms they want to visit.

A special program was adopted for Tuesday, Nov. 10. Coffee and cookies will be served guests. Room representatives will serve as baby sitters for parents who desire the service.

Chairmen named for the affair were Mrs. Autin Ford, room representatives; Mrs. George Gehring, hospitality, and Mrs. Richard Greenwood and Mrs. Jack Neptune, ways and means.

DiSalle Car About Due

COLUMBUS, Ohio (AP) — Gov. Michael V. DiSalle's air-conditioned sedan, purchased by donations from Democratic chairmen, will be ready in two weeks, Democratic State Chairman William L. Coleman said Wednesday. The car will be given to the state as DiSalle would not accept it personally. The chairmen chipped in $4,800 for the vehicle and ordered it from Paul McDonough of Mount Vernon, Knox County Democratic chairman.

Bomb Hoax In Kansas Theater Delays Maria Callas Concert

KANSAS CITY, Mo. (AP)—A bomb hoax interrupted a Maria Callas concert for 40 minutes Wednesday night but the tempestuous soprano brushed it off as "ridiculous."

Former President and Mrs. Harry S. Truman were among the 3,573 persons in Midland Theater when Missouri's Gov. James T. Blair stepped on stage after Miss Callas' first number and announced: "Ladies and gentlemen, the management has received a call which indicates danger for this audience, so we are asking you to leave this building for a half hour."

The audience calmly walked out, taking 10 minutes to clear the building, while police swarmed through the downtown theater.

Miss Callas remained in her dressing room during the search and joked about the scare. The concert was finished without incident after the audience returned.

At a reception afterward, a reporter asked Miss Callas what she thought about the incident.

"Please," she said, smiling radiantly and crossing her hands under her chin. "Let's not discuss it.

The orchestra was playing an overture when a man called the theater box office and police headquarters. He told the police dispatcher: "There's a bomb planted in the orchestra pit at the Midland Theater that's set to go off at 9:30."

Pennsylvania State University graduated 19 students at its first commencement in 1861. More than 2,500 claimed degrees in 1959.

Convicted Killer Loses Plea, Faces Execution Nov. 27

COLUMBUS, Ohio (AP)—Lewis B. Niday, convicted of the tavern slaying of Mrs. Florence Cowdery in Marietta a year ago last August, is scheduled to die in the electric chair Nov. 27, after the Ohio Supreme Court rejected his appeal Wednesday.

He previously was scheduled to be executed Sept. 11

Niday, who had been friendly with Mrs. Cowdery for several years, followed her and a companion, George Robinson Jr., from a tavern and shot them both fatally on Aug. 23, 1958.

Niday pleaded innocent and innocent by reason of insanity. Examined at Lima State Hospital, he was pronounced sane and convicted of first-degree murder in Washington County Common Pleas Court. An appellate court affirmed the verdict.

Defense counsel had offered evidence in an attempt to show that Niday is feeble-minded and contended that insanity could result from feeble-mindedness.

Only Four To Go

SACRAMENTO (AP) — California has become the 46th state to impose a cigarette tax, leaving only Colorado, North Carolina, Oregon and Virginia without a state levy on tobacco products.

Youth Injured In Grid Game

An East End youth hurt in a neighborhood football game and a North Side woman hurt in a fall at home were among five youngsters and adults treated at City Hospital Wednesday.

William Jones, 10, son of Mr. and Mrs. William Jones, 2221 Harvey Ave., suffered sprains of the neck and right side when another player jumped on him in a football game at Neville School.

Miss Bessie Burns, 1310 Perry Ave., was treated for an injury of the left arm suffered in a fall when she slipped on a rug at home.

Corliss Myers, 15, son of Mr. and Mrs. Corliss Myers of Park Way, was treated for a laceration of the eyelid received in a fall on stairs at school.

Woody Pusey, 21, of 410 W. 5th St. was treated for a laceration over the right eye received when his spectacles were bumped at the YMCA.

Robert Wolf, 723 Cain St., a carpenter, suffered a fractured toe of the left foot when a metal shelf fell on his foot while he was at work at a store.

2 Top Executives Are Promoted By Pennsy Railroad

PHILADELPHIA (AP) — The Pennsylvania Railroad promoted two of its top executives Wednesday and reported a September loss that put the nation's largest road into the red for the first nine months of 1959.

James M. Symes, 62, the PRR's president, was appointed chairman of the board and chief executive officer. Both posts have been vacant.

Allen J. Greenough, 54, vice president in charge of transportation and maintenance, succeeded Symes as president and also was made chief administrative officer.

Before the appointments were disclosed, the railroad announced that it lost $2,281,792 in September — wiping out the nearly two million dollars earned in the first nine months of 1959 and creating a deficit of $449,346 for the year through September.

The steel strike was blamed for the September loss. It was compared with a profit of $1,643,395 in September 1958. The nine-month deficit, however, was compared with a loss of $6,899,035 for the similar 1958 period.

No Parallel In Medical History

Doctors, For First Time, Graft Back Leg Of Human

HAYWARD, Calif. (AP) — A team of doctors has succeeded for the first time in grafting back the severed leg of a human.

Surgeons said they could find no parallel in medical history for the operation performed in Eden Hospital here, although such things as severed finger tips and ears have been grafted.

The operation, announced Wednesday, was kept secret for three months, until doctors decided it was successful.

The operating surgeons, whose names will remain secret until their work can be reported in medical journals, described the operation anonymously in the Hayward Review.

The right leg of Billy L. Smith, 25, was crushed a few inches above the knee by a crane while he was rebricking a furnace in the nearby DeCoto plant of the U.S. Pipe and Foundry Co. Only a two-inch strip of skin connected the leg to the stump.

An orthopedic surgeon, who corrects deformities, telephoned a vascular surgeon, who specializes in mending torn vessels, and asked: "You want to try for a miracle?"

The vascular surgeon agreed.

After blood vessels in the lower leg were flushed with anticlotting fluids, the vascular surgeon said he "hooked up the severed main artery and started the blood flowing. The foot immediately turned pink."

But shortly after he stitched together the main veins, so arterial blood could return to the heart, the foot turned white again and there was no pulse in it.

The artery was reopened, a clot removed, blood vessels were flushed again and have functioned perfectly since.

The orthopedist cut away mangled tissue, leaving a two-inch gap between the flesh parts of the leg sections and then bridged the gap with two inches from the upper leg bone.

All that remains now are skin grafts and an operation within a few months to link the main hip nerve to the lower leg, where at present there is no sensation.

Man Killed By Train

DAYTON, Ohio (AP)—Leaburn Allen, 35, of Miamisburg, was struck and killed by a train near West Carrollton while standing on the tracks apparently hunting squirrels Wednesday. Engineer Al Hast of Columbus said he sounded the train's horn but Allen did not move. The victim's wife said Allen was partially deaf.

Barberton Man, Wife Killed In 3-Car Collision

MASSILLON, Ohio (AP)—Robert E. Stahl, 39, a truck driver for the city of Barberton, and his wife, Virginia, 33, were killed Wednesday night in a three-car collision on Ohio 236 three miles south of the Summit County line.

State Highway Patrolmen said Stahl's car struck the rear of another southbound auto at the crest of a hill. A third southbound car piled into the two wrecked cars which had spun sideways in the road.

Ben Willan of 3027 Logan Ave., Canton, driver of the first car, was in Timken Mercy Hospital in Canton with a broken shoulder. Frank Leonhardt, 54, of 808 State Ave., Massillon, who was driving the third car, was in fair condition at Massillon City Hospital with chest and leg injuries.

The Stahls leave three children.

Hearing Set On Plans For Road Relocation

EAST PALESTINE — A public hearing will be held Dec. 1 at 1:30 at the City Hall by the Ohio Highway Department on a proposed relocation of Route 46 from Peace Valley to New Waterford.

Officials at the Division 11 office at New Philadelphia said plans call for eliminating a narrow concrete bridge at the junction of Routes 46 and 558, and straightening of Route 46 to New Waterford.

LOT OWNERS!

MAIN LINE HOMES

ANNOUNCES A DRAMATIC NEW PLAN!

BUY, BUILD, MOVE IN... NOTHING TO PAY TILL JUNE '60

Choose one of many Main Line Homes for delivery before November 30th, and Main Line will erect it on your lot without a down payment, without settlement costs — and for this limited time, without a single mortgage payment until June 1960.

Who Else but Main Line Homes,

largest manufacturer of pre-cut, panelized homes in the East could make such payment arrangements—long months of financial "breathing space" during the time it takes to build, move and settle into a new home! Not a penny for the mortgage until June of next year.

Main Line delivers the Home of Your Choice,

pre-cut and panelized, to your lot, builds the exterior from basement footing to roof, and then provides the materials to finish the interior down to the kitchen sink and the last lick of paint.

But That's Not the Whole Story.

Main Line also gives you an exciting selection of 19 handsome models—from ranch to split level — in a sensible range of prices starting at $5023.00 and that INCLUDES ALL THE HEAVY CONSTRUCTION DONE FOR YOU!

This New "buy now, pay in June" Plan

is possible only because of Main Line's tremendous expansion. While smaller makers of pre-cut houses close down, or limit, production during winter, Main Line operates 12 months a year. Orders now enable us to schedule manufacturing and building during the "slow" season. If you've been putting off building, find out more about this plan today!
